They're determined to show their concern about cuts to nursing care at Kootenay-Boundary Regional Hospital

They're determined to show their concern and frustration about cuts to nursing care.

So nurses will hold a candlelight vigil tonight outside Kootenay-Boundary Regional Hospital. They'll be mourning the loss of nursing staff and quality care for patients, because of budget restrictions ordered by the Interior Health Authority. The vigil will last from 6:30 pm to 7:30 pm.
