

ENDORSEMENT FORM

INSTRUCTIONS TO CANDIDATE:

1. Download and print this form.
2. Collect the signatures of four current BCNU members.
3. Log into the [BCNU Member Portal](#) between July 15 (1200) and July 22 (1200) and complete the online nomination form.
4. Scan or photograph this completed document and submit by uploading via the online nomination form. Nomination forms will not be accepted without this document included.

NOTE: The BCNU Nominations Committee has revised this process to allow potential candidates to collect signatures of endorsement electronically if they wish. To do so, please follow the steps as outlined below:

1. Ask your endorsers to print and complete the form with their name, worksite and signature.
2. Your endorsers must then take a photo of the signed form using their mobile device and send it back to you for you to include in your online nomination form.
3. You will then be asked to upload each of the signed endorsement forms as separate image files to your nomination form. Nomination forms will not be accepted without four signed endorsement forms included.

If you are submitting your endorsers' signatures electronically, your signature will only be required on your completed nomination form. It is expected that potential candidates will use either the paper-based endorsement form or follow the process to have signatures submitted electronically.

(Name of Candidate and Signatures of Endorsement on page 2)

ENDORSEMENT FORM (CONTINUED)

Please print out name and worksite information for legibility.
