ARTICLE 8 - GRIEVANCE PROCEDURE

8.01 Discussion of Differences

It is recognized that grievances may arise during the life of this Agreement concerning the interpretation, application, operation, or alleged violation of the Collective Agreement, including the question of whether

the matter is arbitrable. The parties will attempt to resolve these grievances through the following process, and the employee(s) will continue to work in accordance with the Agreement until the difference is resolved.

8.02

Step 1

The Employer and the Union agree that every effort shall be made to settle the dispute at the local level. The aggrieved employee, with or without the steward, shall discuss the matter with the immediate supervisor and shall request a resolution of the matter from the supervisor. If the supervisor fails to resolve the matter to the satisfaction of the employee, or fails to respond to the employee's request for resolution within seven (7) calendar days, the employee shall inform the supervisor that the matter is proceeding to Step 2.

Step 2

If an employee's grievance is not resolved at the Step 1 discussion and the employee wishes to proceed to Step 2 of the grievance procedure, the employee must do so no later than thirty (30) days after the date:

A) on which the employee was notified orally or in writing of the action or circumstances giving rise to the grievance; or

B) on which the employee first became aware of the action or circumstances giving rise to the grievance. The employee shall reduce the grievance to writing, including a statement of the remedy sought, and with the steward shall meet with the representative designated by the Employer with the authority to handle grievances at Step 2, to discuss the grievance.

Within a further seven (7) calendar days of receipt of the written grievance, the Executive Director (or designated representative) will give a written response to the employee and the Steward.

If the grievance is not satisfactorily settled under Step 2, then the Steward will notify the Union within fourteen (14) calendar days of receipt of the written response to the grievance.

Step 3

The Union will, within a further twenty-one (21) calendar days of this notification, discuss the grievance with the Executive Director or designated representative.

Within a further fourteen (14) days of the Step 3 meeting, the Employer's designated representative shall respond in writing to the Union. Should the grievance be denied, written reasons for denial shall be given.

Failing settlement at Step 3, the grievance may be referred to Mediator and/or arbitration.

8.03 Suspension or Dismissal

Employees dismissed or suspended for alleged cause shall receive from the Employer written notice setting out the reason(s) for dismissal or suspension. Such notice to be provided to the employee within twenty-four (24) hours of the dismissal or suspension, and a copy shall be forwarded to the Union within ten (10) days.

8.04 Mediator

Unless mutually agreed otherwise, disputes may be referred to the Mediator only after the completion of Step 3 of the grievance procedure. Where a difference arises between the parties relating to the dismissal, discipline, or suspension of an employee, or to the interpretation, application, operation, or alleged violation of this Agreement, including any question as to whether a matter is arbitrable, during the term of this Collective Agreement, a troubleshooter agreed to by the parties, shall at the request of either party:

A) investigate the difference,

B) define the issue in the difference, and

- C) make written recommendations to resolve the difference, within five (5) days of the date of receipt of the request, and for those five (5) days from that date, time does not run in respect of the grievance procedure.

In the event the parties are unable to agree on any Mediator within a period of thirty (30) days from the date of signing this Collective Agreement, either party may apply to the Director, Collective Agreement Arbitration Bureau to appoint such person.

Failing settlement at this step, the grievance may be referred to arbitration.

8.05

In the case of a grievance involving the dismissal or suspension of an employee, Steps 1 and 2 of the Grievance Procedure may be omitted.

8.06 General Application Dispute

If a difference of a general nature arises between the Employer and the Union concerning the interpretation, application, operation, or alleged violation of this Agreement, which does not specifically involve an employee, a written grievance within fourteen (14) days of either the Employer or the Union becoming aware of the matter giving rise to the difference will be submitted as the case may be, by the Employer to the Union, or by the Union to the Employer, and Step 3 of Article 8.02 shall apply.

8.07

If, within two (2) months of receiving a response or a response being due at Step 3, a grievance has not been committed to Arbitration for resolution, either party may enquire, in writing, by registered letter, as to the status of such grievance. If, within fourteen (14) days of receipt of such letter, the grievance has not been advanced to Arbitration, the grievance will be deemed to be abandoned.

8.08 Deviation from Grievance Procedure

Employees, at the commencement of their employment and on change of status, will be advised in writing into which of the following categories they are assigned.

9.02 Regular Full-Time Employees

Regular full-time employees are those who are scheduled to work the hours of work and shift patterns as provided in Article 21 of the Agreement.

9.03 Benefit Entitlement

9.05 Benefit Entitlement

Regular part-time employees accumulate seniority and are entitled to salary and benefits of this Agreement on a proportionate basis of the hours they work to the hours of a full-time employee, with the exception of medical, extended health, dental plan coverage, long term disability, and group life insurance premiums, which will be paid on the same basis as for regular full-time employees.

9.06 Casual Employees

A) Casual employees are those hired on an as-and-when needed basis.

B) Letter of Appointment

- i) All casual employees shall receive a letter of appointment immediately following recruitment, clearly stating their employment status, their classification and wage level, and if the employee is seeking regular employment it shall be noted. This letter shall also include a mutually acceptable statement of the casual employee's availability for work of a casual nature and notation of any specialist qualifications held by the employee.

The manner in which casual employees shall be called to work shall be as follows:

- i) The Employer shall offer casual work to casual employees in order of seniority providing the casual employee:
 - (1) has the qualifications and capabilities to perform the work being relieved; and
 - (2) has been orientated.

Where the casual employee does not meet the above criteria, the Employer will pass on to the next casual employee.

- ii) Notwithstanding the above, where the Employer has received 24 hours or less notice of a vacancy creating relief work up to the first three shifts of the vacancy may be filled in such a manner as the Employer deems most efficient for the purpose of familiarization of casual employees.
- iii) Where a casual employee is called for a casual assignment which would attract overtime, they must so advise the Employer when asked. Overtime call-in shall occur as per Article 22.05.
- iv) Where the Employer is seeking casual employees for blocks of work less than thirty (30) calendar days duration, the Employer may post these blocks at the worksite and invite casuals to indicate their preferences for the work available. In the event of a dispute, the Union shall have reasonable access to the contact record and shall be entitled to make copies.

- iv) When no casual is available, the Employer shall offer the shift to the part timer on that team and if they are not available to other part timers based on seniority.

F) Employment Security Considerations

The parties agree that work of a casual nature will be first offered to regular employees who have been laid off. This preference continues until such employees are severed pursuant to Article 13.07. During their period of lay off they will be deemed to be regular employees but subject to call in provisions of Article 9 of this collective agreement.

G) Wage Entitlement

 - v) When a casual employee applies for and receives a regular position in the same site in which the employee has been employed, the employee shall either retain the same increment step attained as a casual or be placed at the increment step which recognizes previous experience in accordance with the provisions of Article 46 (Previous Experience), whichever is higher, and shall advance to the next increment step pursuant to Article 10.01.

Where there is no bona fide reason for the refusal of work and a further three (3) months has elapsed without any shifts worked by the employee, the casual employee will be deleted from the casual call-in list.

9.10 Health and Welfare Coverage Benefit Entitlement

All casual employees who have completed 172.8 hours with the Employer may elect to enrol in the following benefit plans:

An employee making such an election under this provision must enrol in each and every one of the benefit plans and shall not be entitled to except any of them.

Where a casual employee subsequently elects to withdraw from the benefit plans, the employee must withdraw from all three (3) plans. Casual employees failing to maintain required payments, shall have the benefit plans terminated. Those employees who voluntarily terminate, or are terminated from the plans by the Employer, will not be entitled to re-enrol.

Benefit Premium Refund

Subject to the following conditions, casuals shall, on enrolment in the aforementioned benefit plans, be entitled to an annual lump sum refund paid by the Employer at the appropriate rate for the coverage obtained. Such payment is a reimbursement for each monthly benefit premium paid by the employee to a maximum of twelve (12) months.

11.01

The principle of seniority, as defined in this Article, is recognized by the Employer.

11.02

Seniority for regular employees is defined as the length of the employee's continuous employment (whether full-time or part-time) from the date of commencement of employment.

An employee who commences in a regular position shall receive seniority as follows:

Seniority for a regular employee is defined as the length of the employee's continuous employment (whether full-time or part-time) from the date of commencement of regular employment, plus any seniority accrued while working as a casual employee of the Employer.

Upon completion of their probationary period, the employee will be credited with seniority dating from the first day of employment. Probationary employees may be dismissed if they are found to be unsuitable, providing the factors involved in suitability could reasonably be expected to affect work performance.

12.02

By mutual agreement between the Employer and the Union, the probationary period may be extended.

ARTICLE 13 - TERMINATION OF EMPLOYMENT

13.01 Employee Termination

After completion of the probationary period, a regular employee is required to give twenty-eight (28) calendar days' written notice of termination to the Employer.

- the opportunity to apply for a posted vacancy that exists at the time of layoff,
- the opportunity to accept casual work as it becomes available,
- full layoff with the right to recall, or
- waiver of recall and voluntary termination with severance, if applicable.

When notice of displacement or layoff has been issued, the laid off employee and representative of the Union and the Employer will meet to review the affected employee's available options. The affected employee's options must be exercised within ten (10) working days of receipt of written notification of layoff by written notice to the Executive Director.

In the event an employee is working under a medically-documented accommodation arrangement and is subject to displacement or bump arising from a workforce reduction, representatives of the Union and the Employer will meet to review the employee's prevailing medical status and discuss possible work alternatives to maintain a reasonable level of accommodation for the affected employee, and/ or identify options for the senior affected employee.

Employees on an approved leave of absence and who are served notice of a workforce reduction may elect to exercise their options while on leave or upon return to work. If the employee elects to make their choice on return to work the choice will be based on the available positions and seniority lists current at that time.

A laid off regular employee who elects to take casual work in accordance with D) above, will be accorded first opportunity for casual work ahead of those employees on the casual roster, up to the laid off regular employee's pre-layoff FTE status. An exception would be where the employee is obligated to give more than seven (7) calendar days' notice to the employee's current employment, or where the employee can provide satisfactory reason for not reporting within the seven (7) day period.

Satisfactory reason is in the opinion of the Employer and will not be considered after thirty (30) days of the date of recall.

13.05 Laid Off Employees

- A) Should vacancies occur following layoff, those employees on layoff will be recalled to these positions in order of seniority providing they have the capabilities and the qualifications to perform the duties of the vacant position. Any employee granted unpaid leave of absence totalling up to twenty (20) working days in any year shall continue to accumulate seniority and all benefits, and shall return to their former job and increment step.

If an unpaid leave of absence or an accumulation of unpaid leaves of absence exceeds twenty (20) working days in any year, the employee shall not accumulate benefits from the twenty-first (21st) day of the unpaid leave to the last day of the unpaid leave, but shall accumulate benefits and receive credit for previously earned benefits and seniority upon expiration of the unpaid leave.

Employees who are in receipt of long-term disability benefit payments shall be eligible for medical, extended health and dental coverage and the premiums of the plans shall be cost shared by the Employer and the employee on a 50/50 basis.

Employees on long term disability shall have their Group Life Insurance Premiums waived, and coverage under the Group Term Life Insurance Plan shall be continued for an amount not to exceed the amount of life insurance for the employee on the last day they were actively at work.

SECTION 2 - WAITING PERIOD AND BENEFITS

In the event an employee becomes disabled as a result of an accident or an illness, then, after the employee has been disabled for six (6) months in the event of onset prior to September 1, 2001, or five (5) months in the event of onset on and after September 1, 2001, the employee shall receive a benefit equal to two-thirds (2/3) of monthly earnings to a maximum of four thousand dollars (\$4,000) per month until age 65.

For the purposes of the above, earnings shall mean basic monthly earnings as at the date of disability. Basic monthly earnings for regular part-time employees shall be calculated on the basis of the employee's average monthly hours of work for the twelve (12) month period or such shorter period that the employee has been employed, prior to the date of disability, multiplied by their hourly pay rate as at the date of disability.

The long term disability benefit payment shall be made so long as an employee remains totally disabled and shall cease on the date the employee reaches age 65, recovers, or dies, whichever occurs first, or as of the date of failure to provide requested written proof, satisfactory to the Company, of their continuous total disability.

SECTION 3 - TOTAL DISABILITY DEFINED

- A) Total disability, as used in this Plan, means during the first (1st) twenty-four (24) months of a benefit payment period, the employee's complete inability, as a result of bodily sickness or injury, to engage in their normal occupation and after the first (1st) twenty-four (24) months of a benefit payment period, the employee's complete inability, as a result of bodily sickness or injury, to engage in any occupation or employment for wages, compensation or profit, for which they are reasonably qualified by education, training, or experience, or may reasonably become so qualified, subject always to the terms of the provision LIMITATIONS AND EXCLUSIONS.

For a disability whose onset occurs on or after the first (1st) day of the calendar month following thirty (30) days after the date of ratification of this collective agreement, total disability, as used in this Plan, means during the first (1st) twenty-four (24) months of a benefit payment period, the employee's complete inability, as a result of bodily sickness or injury, to engage in their normal occupation and after the first (1st) twenty-four (24) months of a benefit payment period, the employee's complete inability, as a result of bodily sickness or injury, to engage in any occupation or employment for wages, compensation or profit, for which the rate of pay equals or exceeds eighty-five percent (85%) of the pre-disability rate of pay from their regular occupation with the Employer, and for which they are reasonably qualified by education, training, or experience, or may reasonably become so qualified, subject always to the terms of the provision LIMITATIONS AND EXCLUSIONS.

- B) Total disabilities resulting from mental or nervous disorders are covered by the Plan in the same manner as total disabilities resulting from accidents or other sicknesses.
- C) During a period of total disability, an employee must be under the regular and personal care of a legally qualified doctor of medicine.
- D) After twenty-four (24) months of disability, an employee who is able by reason of education, training or experience, to perform the duties of any gainful occupation, shall no longer be considered totally disabled and, therefore shall not continue to be eligible for benefits under this Long Term Disability Plan.

For a disability whose onset occurs on or after the first (1st) day of the calendar month following thirty (30) days after the date of ratification of this collective agreement, after twenty-four (24) months of disability, an employee who is able by reason of education, training, or experience, to perform the duties of any gainful occupation, for which the rate of pay equals or exceeds eighty-five percent (85%) of the pre-disability rate of pay from their regular occupation with the Employer, shall no longer be considered totally disabled and, therefore, shall not continue to be eligible for benefits under this Long Term Disability Plan.

- E) If an employee who is receiving this Long Term Salary Continuance benefit enters into a rehabilitation program, benefits may, at the discretion of the Company, be continued for up to twenty-four (24) months. However, the monthly benefit payable to the employee during the rehabilitation program will be the amount of benefit calculated in accordance with the terms of this policy less twenty-five per cent (25%) of the total amount of any wages, compensation, or profit earned by the employee during the rehabilitation program. In the event that income from rehabilitative employment and the benefit paid under this Plan shall exceed eighty per cent (80%) of the employee's earnings at date of disability, the benefit from this Plan shall be further reduced by the excess amount.

"Rehabilitative employment" shall mean any occupation or employment for wage or profit, or any course or training that entitles the disabled employee to an allowance, provided such rehabilitative employment has the approval of the employee's doctor and the underwriter of the Plan.

The rehabilitative employment of a disabled employee shall continue until such time as the employee's earnings from rehabilitative employment exceed eighty per cent (80%) of the employee's earnings at the date of disability.

If the earnings are received by an employee during a period of total disability and, if such earnings are derived from employment which has not been approved as rehabilitative employment, then the regular monthly benefit from the Plan shall be reduced by one hundred per cent (100%) of such earnings.

SECTION 4 - EXCLUSIONS AND LIMITATIONS

Exclusions

No benefit shall be payable, in accordance with the terms of this policy, for any disability which is caused by or results from:

- (1) intentionally self-inflicted bodily injury or sickness, while sane or insane;
- (2) rebellion or insurrection, war, whether war has been declared or not, or by full or part-time service in any Armed Forces; and
- (3) flying or air travel, except when flying or travelling as a passenger in an aircraft for which a certificate of airworthiness has been issued by the appropriate government authority and which is operated by a properly licensed pilot.

Limitations

- (1) An employee, physically able to engage in an occupation or employment, shall not be deemed to be totally disabled if they are prevented from engaging in that occupation or employment by any disqualification of law, licensing, or employment practice, even though such disqualification may arise from or be related to bodily injury or sickness for which they have received benefits provided by this policy.
- (2) In no event shall absence outside the territorial limits of Canada or the United States in North America be considered as part of disability period unless approved by the Company in writing prior to the beginning of such absence.

SECTION 5 - INTEGRATION WITH OTHER DISABILITY INCOME

The amount of benefit payable to an employee shall be the amount for which they are insured on the date of commencement of their total disability, subject to any provision for the reduction or termination of insurance contained in this policy on such date.

However, if during a disability period, the employee is entitled to receive income from any of the following sources:

- A) Workers' Compensation Act, or similar law;
- B) Department of Veterans' Affairs;
- C) Retirement or Pension Plan with any employer;

- D) any disability provision or any group insurance policy; and
- E) any law providing disability or retirement benefits enacted by any government, including the Employee Benefit of the Canada Pension Plan and the Quebec Pension Plan;

The amount of benefit shall be reduced by the amount of such income, excluding any portion the employee was receiving prior to commencement of disability, regardless of whether the employee has actually applied for and received such income.

However, no reduction in the amount of monthly benefit payable to the employee during the same period of disability will be made on account of increases in the amount of their income from the above sources if the increases are the direct result of application of a cost-of-living indexing formula to the amount of such income. No reduction will be made in this benefit by reason of the Canada Pension Plan or Quebec Pension Plan Dependent Benefit. Private or individual disability plan benefits of the disabled employee shall not reduce the benefit from this Plan.

SECTION 6 - SUCCESSIVE DISABILITIES

Successive disability period means a disability period which begins within one hundred and eighty (180) days after the termination of a prior disability period.

Until the employee has resumed their previous occupation on a full-time basis sufficiently recovered to prevent relapse, any period of total disability arising from the same cause or causes as a previous period of total disability will be considered a continuation of the previous period of total disability. In no event, however, will periods of total disability separated by one hundred and eighty (180) days or more of regular employment be considered as one (1) period of total disability.

For each initial disability period, payment of benefits will commence following expiration of the qualification period of one hundred and eighty (180) days. For each successive disability period, payment of benefits will commence following expiration of:

- (1) the qualification period less the total number of days absent due to the same cause or causes during the last preceding initial disability period and all intervening successive disability periods, or
- (2) thirty (30) days, whichever is greater.

SECTION 7 - EXPIRATION OF SICK LEAVE

Employees who have unused sick leave credits after the one hundred and eighty (180) day waiting period when the long term disability benefit becomes payable shall either exhaust all such sick leave credits before receiving the long term disability benefit, or bank the unused sick leave credits for future use.

Employees who will be eligible for benefits under the Long Term Disability Plan shall not have their employment terminated. Following expiration of their sick leave credits, they shall be placed on unpaid leave of absence until receipt of long term disability benefits.

Upon return to work following recovery, an employee who was on long term disability shall, where possible, return to their former job, exercising their seniority rights if necessary, pursuant to Article 13.02 D), of the Collective Agreement.

SECTION 8 - BENEFITS UPON PLAN TERMINATION

In the event this Long Term Disability Plan is terminated, the benefit payments shall continue to be paid, in accordance with the provision of this Plan, to disabled employees who became disabled while covered by this Plan prior to its termination.

SECTION 9 - PREMIUMS

The cost of this Plan shall be borne by the Employer. Payment of premiums shall cease on termination of employment, or six (6) months prior to an employee's sixty-fifth (65th) birthday, whichever occurs first.

SECTION 10 - WAIVER OF PREMIUM

In the event an employee is receiving long term salary continuance benefits provided by this policy, the premium for their insurance shall be waived for the period during which benefits are paid.

SECTION 11 - CLAIMS

Written notice of a claim for long term salary continuance benefits must be sent to the Company by the participating Employer on the form provided by the Company for that purpose and received by the Company not later than thirty (30) days after the expiration of the qualification period. Initial proof of total disability, obtained at the employee's expense, must be sent to the Company on the form provided by the Company for that purpose and received by the Company not later than thirty (30) days after the expiration of the qualification period. Further proofs of total disability, when required by the Company, must be provided at the employee's expense.

Failure by the participating Employer to provide written notice of claim within the time limit specified above shall neither invalidate nor reduce any claim if it is shown that the employee had advised their employer of intention to claim within the time limit specified above.

Failure by the employee to provide written proof of claim as required above shall not invalidate a claim if notice is given to the Company within the time limit specified above, showing that it was not reasonably possible to obtain such proof.

SECTION 12 - ADMINISTRATION

The Employer shall administer the Plan. Upon request, the Union shall be provided access to any reports provided by the claims-paying agent regarding experience information. All questions arising as to the interpretation of the Plan shall be subject to the grievance and arbitration procedures of the Collective Agreement. In cases of discrepancy between this Addendum and the Master Policy, the Master Policy will prevail.

LETTER OF UNDERSTANDING #2
Between
BLOOM LIMITED PARTNERSHIP, OPERATING AS GLENWARREN LODGE
and
THE BRITISH COLUMBIA NURSES' UNION

RE: Early Safe Return to Work Program

The Early Safe Return to Work program is intended solely for those regular post-probationary employees who are reasonably expected to return to full duties as outlined in the position description.

The Union and the Employer agree that ill or injured employees may benefit from involvement in Early Safe Return to Work Programs which may involve a number of initiatives such as a gradual increase in hours of work up to full shift hours, modified work place modification, a work hardening program, or if necessary, a change in work assignment.

Participation in such a program is strictly voluntary for both the employee and the Employer and contingent upon the written consent and advice of the employee's physician.

The program shall be considered as part of the treatment/rehabilitation process. The ESRTW program will encourage a process of gradual integration to safe and appropriate work for each employee that returns the employee to their pre-injury/illness position. All employees engaged in a rehabilitation/treatment process shall be supernumerary.

The employee, an employer designate responsible for the Early Safe Return to Work Program, the Union steward and where necessary, an appropriate health care provider or a representative of other affected providers will meet to agree on a suitable work plan. Where necessary, other affected providers such as LTD and/or WorkSafe BC (WSBC) shall be consulted in the development of the plan.

A written program for the employee will include:

1. An overview of the employee's work plan, including program requirements (including restrictions or limitations), its expected outcome and end date. Programs shall not exceed eight (8) weeks, except as necessary in cases involving WSBC or other affected providers. Extensions may be made by mutual consent between the Employer and the Union.
2. The number of phases in the program, their duration and the number of hours to be worked per shift in each phase.
3. A detailed outline of the Employer and employee responsibilities under the program.
4. A schedule of evaluations to determine progress toward the program outcome. As a result of an evaluation, a program may be modified or discontinued by mutual consent of the parties.

Employees engaged in an Early Safe Return to Work Program shall be provided with a copy of the written program.

The employer designate shall be responsible for making the necessary work arrangements for the employee's return to the work place. The Union steward shall be allowed time away from their usual assigned duties to meet the union members at the work site to familiarize them with the terms and conditions of their co-workers' return to work and to ensure co-worker support and encouragement.

The Union and the Employer agree that employees participating in an Early Safe Return to Work Program are entitled to all the benefits of the agreement, on a proportionate basis. It is further agreed that participation in the program will not impact the waiting period or eligibility for LTD entitlement.

Employees engaged in an Early Safe Return to Work Program will fall into one of four groups, although on occasion, an employee may, depending on changed circumstances, move from one group to another. Wage and benefit entitlements, when participating in the program will be consistent with the terms of the agreement and are outlined below:

Group 1: Employees suffering an occupational illness or injury who are in receipt of WSBC payments.

- Receive full wages and benefits. (Article 35.09 – Leave – Worker’s Compensation)

Group 2: Employees suffering a non-work related illness or injury or who are waiting acceptance of a WSBC claim, who have accumulated sick time and/or who choose to utilize accumulated vacation time.

- Receive pay and appropriate premiums for all hours worked at the work place and receive sick pay/vacation pay for all regularly scheduled hours not worked. All benefits continue uninterrupted.

Group 3: Employees suffering a non-worked illness or injury or are awaiting acceptance of a WSBC claim, who have no accumulated sick time and/or do not choose to utilize accumulated vacation time.

- Receive pay and appropriate premiums for all hours worked at the work place and receive EI sick benefits for the balance of the regularly scheduled hours not worked, subject to their entitlement. Medical, dental, extended health, LTD, group life insurance are reinstated when working.

Group 4: Employees in receipt of LTD benefits.

- These employees are considered disabled and under treatment by a physician.
- These employees receive pay for all hours worked as per Appendix A – Long Term Disability Plan. The cap in Appendix “A” – Section 3 (E) shall be waived for the duration of the Early Safe Return to Work Program.
