

## MEETINGS

### ZOOM SESSION FACILITATOR - WORKSHEET

For most meetings there will be one-person responsible managing and presenting at the session. However, best practice is two people for each meeting – with each sharing the presentation and meeting management duties.

Role	Name & Title	Contact Information
Facilitator(s): <b>Facilitator</b> is the person presenting the information or training, managing, and explaining activities, etc.		
Producer(s): <b>Producer</b> is mainly behind the scenes, managing administration of the session in the background.		

Item	Information	Notes
Why are you having the session? <i>(What is the purpose of the session? What are the expected outcomes?)</i>		
Name of the session		
Description of the session <i>(Optional – use for advertising via email and/or eNews)</i>		
Date and time of the session <i>(Include start and stop times)</i>		
What presentation will be used? <i>(All PowerPoints are to be formally approved and BCNU branded)</i>
