

## OCCUPATIONAL HEALTH AND SAFETY (OH&S)

SAFETY - DEMAND IT. - POSTER

# SAFETY - DEMAND IT.

IT'S YOUR RIGHT.

*Take action NOW.*

- > Know how to report incidents and unsafe situations at your worksite.
- > Use your right to refuse unsafe work process when an unsafe situation creates an undue hazard to your health and safety.
- > Report all incidents and unsafe situations to your manager or supervisor, **even if there is no injury.**
- > Document using your worksite's OH&S Hazard and Incident reporting system.
- > Tell your worksite steward or BCNU Joint OH&S Committee representative. Make recommendations to correct the problem and improve safety.
- > Follow up to find out when recommendations will be made.
- > File a grievance if the problem isn't being corrected.

Delivering safe patient care means working in a safe and healthy environment. [www.bcnu.org](http://www.bcnu.org)
