Appendix KK – Professional Responsibility Process Resource

Are you experiencing professional practice problems at work?

The revised professional responsibility (PR) process addresses professional practice problems related to the Nursing Standards of Practice of the provincial regulatory body, which fall into the following themes:

- > Policies and Procedures/Guidelines
- > Education and Training
- > Leadership Support
- > Orientation
- > Scope of Practice
- > Skill Mix
- > Role Clarity
- > Communication
- > Mentorship
- > Other

The first step in the professional responsibility (PR) process is a conversation with your excluded manager.
