## Installation on Android

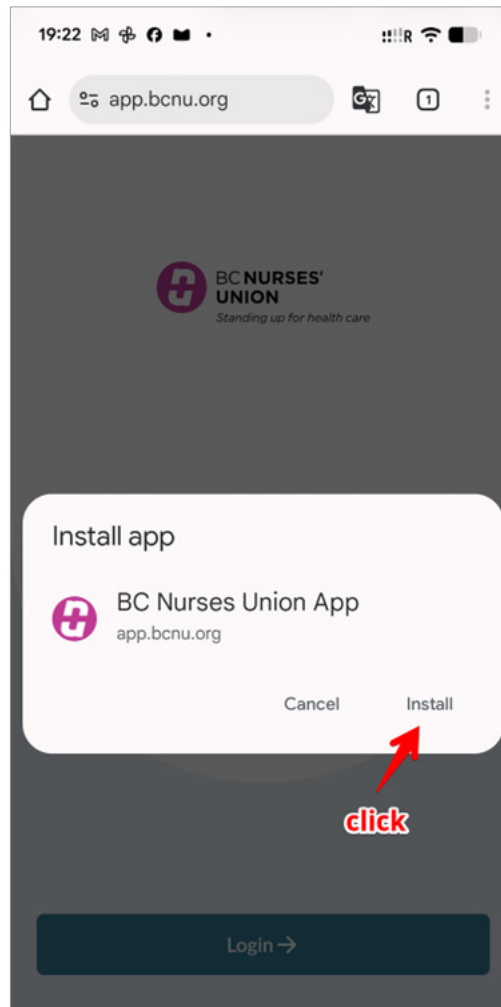

1. Open <https://app.bcnu.org> and click Share button

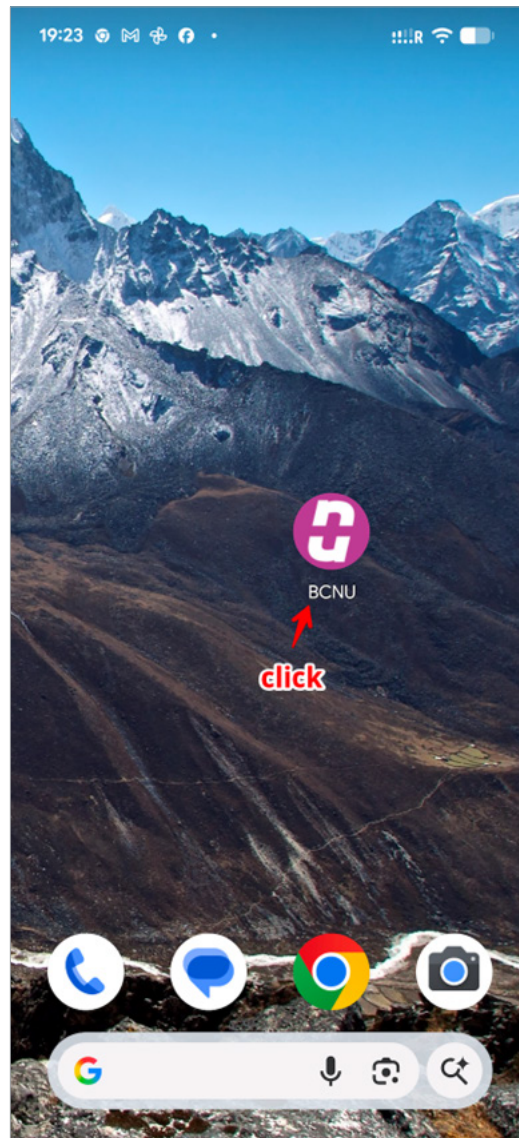

2. Find and click “Add to Home screen” button

### 3. Install the application

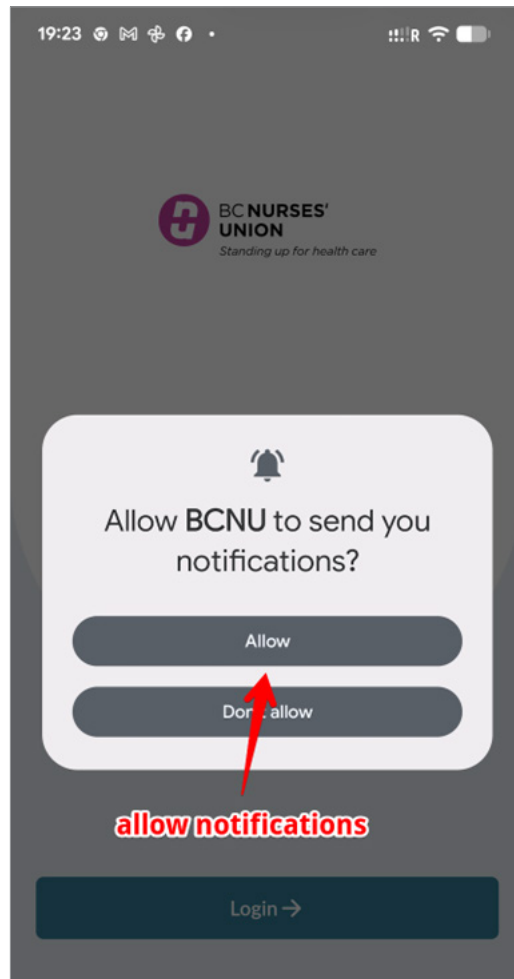

4. Find the application and open it

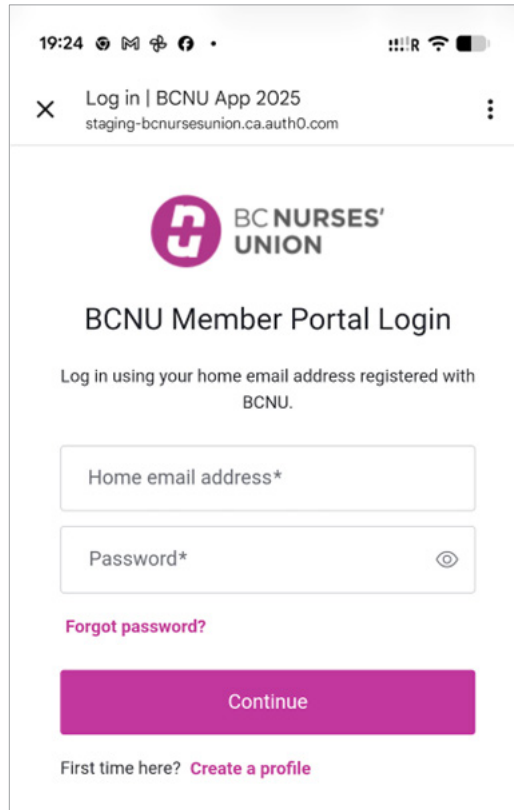

## 5. Enable Notifications

6. Click “Login” button and log in to the application using BCNU account

The screenshot shows a mobile application interface for the BCNU Member Portal Login. At the top, the status bar displays the time 19:24 and various icons. Below the status bar, a header bar contains a close button (X), the text "Log in | BCNU App 2025" and "staging-bcnursesunion.ca.auth0.com", and a menu icon (three dots). The main content area features the BCNU logo (a stylized 'B' and 'U' in a circle) and the text "BCNU Member Portal Login". Below this, a message states: "Log in using your home email address registered with BCNU." There are two input fields: "Home email address\*" and "Password\*", with a toggle icon for the password field. A link "Forgot password?" is positioned below the password field. A large purple "Continue" button is centered below the input fields. At the bottom, a link "First time here? Create a profile" is displayed.
