

Participate in a study about the experiences of

# FILIPINO NURSES IN VICTORIA, BC

## OVERVIEW:

- The project aims to understand if recent Filipino internationally-educated nurses (IENs) in Victoria, BC experience integration and settlement barriers.
- Engage in a 60-minute one-on-one interview on Zoom.
- This study hopes to contribute to the field of public administration and policy.

## PURPOSE:

This study seeks to understand how some barriers and challenges might impact a Filipino nurse's ability to achieve educational upgrading, professional recertification and workplace integration.

## ELIGIBILITY:

- You completed your nursing education in the Philippines
- Migrated to Canada in the last 10 years
- You are a registered nurse (RN) living in Victoria, BC

**\$10 Tim Horton's gift card compensation**
