Step 2

If the difference is not satisfactorily settled under Step 1 then, within fourteen (14) calendar days after the completion of Step 1, the employee with a steward shall meet with the representative designated by the Employer with the authority to handle grievances at Step 2 to discuss and submit the grievance in writing.

Within a further seven (7) calendar days of receipt of the written grievance, the representative designated by the Employer shall give a written response to the employee and the steward. Should the grievance be denied, written explanations shall be given.

If the grievance is not satisfactorily settled under Step 2, then the steward shall notify the Union within fourteen (14) calendar days of receipt of the written response to the grievance.

Where the Union submits the written grievance, Step 1 shall be eliminated and the Union shall be substituted for the employee in Step 2.

Step 3

The Union shall, within a further fourteen (14) calendar days of this notification, discuss the grievance with the representative designated by the Employer with the authority to handle grievances at Step 3 (who shall be outside the bargaining unit).

The parties recognize they have a common interest in resolving grievances. Such resolution is promoted through providing each other with background information and documentation directly related to the grievance so that informed discussion of the issue can take place at this level.

Within a further seven (7) calendar days of the Step 3 meeting the representative designated by the Employer shall respond in writing to the Union. Should the grievance be denied, written reasons for denial shall be given. Failing settlement at this step, the grievance may be referred to Mediator, and/or arbitration within ninety (90) days after the Employer designate's decision has been received.

Mediator

Where a difference arises between the parties relating to the dismissal, discipline, or suspension of an employee, or to the interpretation, application, operation, or alleged violation of this Agreement, including any question as to whether a matter is arbitrable, during the term of the Collective Agreement, David McPhillips, Judi Korbin, Chris Sullivan, or a substitute agreed to by the parties, shall at the request of either party:

- A) investigate the difference,
- B) define the issue in the difference, and
- C) make written recommendations to resolve the difference, within five (5) days of the date of receipt of the request, and for those five (5) days from that date, time does not run in respect of the grievance procedure.

The above named mediators will be used on a rotating basis at each Employer.

In the event the parties are unable to agree on a Mediator within a period of thirty (30) days either party may apply to the Director, Collective Agreement Arbitration Bureau for the Province of British Columbia to appoint such person.

Failing settlement at this step, the grievance may be referred to arbitration.

9.03 Employer Policy Dispute

If a difference of a general nature arises between the Union or its members and the Employer concerning the interpretation, application, operation or alleged violation of this Agreement or Memoranda, the aggrieved party may submit a written grievance to the other party within twenty-one (21) calendar days of becoming aware of the matter giving rise to the difference, and Step 3 of Article 9.02 shall apply. A copy of the grievance shall in every case be forwarded to the Union and the Employer.

9.04 Application of Arbitration Decisions

The arbitration award arising from a grievance filed under Article 9.02 or 9.03 is binding on the single Employer, the employees of the Employer, and the Union.

9.05 Amending Time Limits

If the time limits in Articles 9.02, 9.03 and 9.07 are not complied with by the employee(s) or the Union, then the grievance shall be considered as being abandoned, unless the parties have mutually agreed, in writing, to extend the time limits.

9.06 Resolution of Employee Dismissal or Suspension Disputes

The following procedure shall be used for the resolution of disputes relating to the dismissal or suspension of an employee(s):

Step 1

Within ten (10) calendar days of notice of the dismissal or suspension, the Employer shall notify the head office of the Union of such termination.

Step 2

Within a further fourteen (14) calendar days of receipt of notice in Step 1 of this Article, the Union may institute the grievance procedure at Step 3 of Article 9.02.

If this time limit is not complied with, then the grievance shall be considered as being abandoned, unless the parties have mutually agreed, in writing, to extend the time limits.

9.07 Deviation from Grievance Procedure

The Employer agrees that, after a grievance has been discussed at Step 2 of the grievance procedure the Employer or his representatives shall not initiate any discussion or negotiations with respect to the grievance, either directly or indirectly with the aggrieved employee without the consent of the steward or the Union.

ARTICLE 10 – ARBITRATION

10.01 Authority of the Arbitrator

A) Either party may refer any grievance, dispute or difference unresolved through the procedures in Article 9 to a single arbitrator. Such arbitrator shall have the power to determine whether any matter is arbitrable within the terms of the Agreement and to settle the question to be arbitrated. The Arbitrator shall have no power to modify or amend this Agreement in order to give any decision inconsistent with it.

B) The arbitrator shall issue a decision which shall be final and binding upon the parties.

10.02 Notification

A) The party requesting arbitration under Article 9.07 shall notify the other party of its intent to arbitrate and its proposed arbitrator.

B) As the process is intended to be informal, the parties will use their staff to present their case.

C) All presentations are to be short and concise and are to include a comprehensive opening statement. The parties agree to make limited use of authorities during their presentations.

D) Prior to rendering a decision, the arbitrator may assist the parties in mediating a resolution to the grievance. Where mediation fails, or is not appropriate, a decision shall be rendered as contemplated in (E).

E) The decision of the arbitrator is to be completed within three (3) working days of the hearing. No written reasons for the decision shall be provided beyond that which the arbitrator deems appropriate to convey the decision.

F) All decisions of the arbitrators are to be limited in application to that particular dispute and are without prejudice. These decisions shall have no precedential value and shall not be referred to by either party in any subsequent proceeding.

G) All settlements of proposed expedited arbitration cases made prior to the hearing shall be without prejudice.

- H) The Union will forward a brief summary of its case identifying particulars and any reliance authorities to the Employer at least ten (10) days in advance of the scheduled date of the expedited arbitration. The Employer will respond in kind within five (5) days of receipt of the Union’s summary.
- I) The parties shall equally share the costs of the fees and expenses of the arbitrator.
- J) The expedited arbitrator shall have the same powers and authority as a sole arbitrator established under the provisions of Article 10.

Where there is no bona fide reason for the refusal of work and a further three (3) months has elapsed without any shifts worked by the employee, the casual employee will be deleted from the casual call-in list.

C) **Letter of Appointment**

- (1) All casual employees shall receive a letter of appointment immediately following recruitment, clearly stating their employment status, their classification and wage level, their worksite, and if the employee is seeking regular employment it shall be noted. This letter shall also include a mutually acceptable statement of the casual employee's days and shifts of availability for work of a casual nature.

Casual employees' preferences for specific shifts or areas of work will not be accommodated at the expense of regular employees' schedules or areas of work. Casual employees will be expected to work in any area they are assigned to or moved to during a shift unless they do not have the requisite skills or orientation required to practice in that area.

- (2) **General Availability**

The commitment to availability specified in the letter of appointment shall be subject to

mutually acceptable revision. Such revision will occur once per year, or, if mutually agreed between the Employer and the employee, on a more frequent basis. The Employer will issue a revised letter of appointment to reflect approved changes to employee's general availability.

E) Procedure for Casual Call-In

- i) The manner in which casual employees shall be called to work shall be as follows:
 - (1) The Employer shall offer casual work as defined in Article 11.04 (A) to casual employees in order of seniority providing the casual employee:
 - is registered for work; and
 - has the qualifications and capabilities to perform the work being relieved; and
 - has been orientated.

Where the casual employee does not meet the above criteria, the Employer will pass on to the next casual employee.

- (2) Exceptions to the above may occur to address the need to consolidate the skills of new graduates as per the Letter of Understanding on New Graduates. (see Appendix "G")

- (3) Notwithstanding (1) above, where the Employer has received forty-eight (48) hours or less notice of a vacancy creating relief work as per Article 11.04 (A), the first shift of the vacancy and any remaining shifts in that block may be filled as the Employer deems most efficient.

Where the shift pattern has not allowed for probationary casual employees to be properly assessed, the Employer may arrange for a maximum of three (3) shifts out of seniority order, with a supervisor, to conduct the assessment.

- (4) Where a casual employee is called for a casual assignment which would attract overtime, they must so advise the Employer when asked. The Employer shall then have the option of calling another employee.
- (5) Where Employers are seeking casual employees for blocks of work which are known more than a month in advance, the Employer may post these blocks at the worksite and invite casuals to indicate their preferences for the work available. Work assignments shall be made in accordance with seniority as per (E) (i) above.

(6) Telephone Call-In

- The Employer shall be obligated to call a casual employee only for those days and shifts for which the employee has indicated she/he is available pursuant to (C) (3) above.
- The Employer shall call by telephone only those casual employees on the register at a number provided by the employee. The Employer shall commence by calling the most senior employee in the register who meets the criteria specified in (E) (i). The Employer shall permit the telephone to ring a minimum of eight (8) times.
- All such calls shall be recorded in a log book showing the signature of the person making the call, the employee called, the position they are being called to fill, the time the call was made, whether the employee accepts or declines the invitation to work or fails to answer the telephone. In the event of a dispute the Union shall have reasonable access to the log book and shall be entitled to make copies.
- In the event that relief is requested with less than twenty-four (24) hours notice, the date and time of the notification shall be recorded in the log book.

- (7) A block of work is defined as the shifts between regular days off, or, if mutually agreed at a local level (i.e. worksite), any combination of shifts.

- ii) An arbitrator shall have the authority to award monetary damages in response to a violation of Article 11.04(E) (i) by the Employer.

- i) Casual employees shall be paid in accordance with the wage schedule.
- ii) Casual employees shall move to the next increment step upon completion of a total annual FT equivalent hours (1879.2) worked for the Employer at the increment step signatory to the Collective Agreement during the same period. In the case of hours worked for another

employer, the hours must be worked within the Union bargaining unit and the employee shall have the onus of providing written verification of hours worked and employers will cooperate in providing verification promptly upon request. Credit for such hours will be effective the date the employer receives the verification.

- (1) A casual employee hired having less than one (1) year's experience (1879.2 hours) shall be placed at the first step of the increment scale.
 - (2) A casual employee who terminates with an Employer covered by this Collective Agreement and is employed within thirty (30) calendar days as a casual employee with an Employer covered by this agreement, shall retain the increment step attained with the previous Employer. Subsequent increments shall be granted pursuant to Article 11.04(F)(ii).
 - (3) A new casual employee hired and not eligible to retain her increment step pursuant to Article 11.04(F)(ii) (2) shall receive credit for previous hours of experience on the wage increment scale as follows: One (1) increment step for each 1879.2 hours shall be granted for relevant nursing experience as determined by the Employer, provided not more than two (2) years have elapsed since such experience was obtained.
- iii) A regular employee who terminates her employment and is re-employed by the same Employer as a casual employee within thirty (30) calendar days shall retain the same increment step attained as a regular employee and be credited with the appropriate hours worked at that step.
 - iv) When a casual employee applies for and receives a regular position in the same worksite in which she has been employed, she shall either retain the same increment step attained as a casual or be placed at the increment step which recognizes her previous experience in accordance with the provisions of Article 52 - Previous Experience, whichever is higher, and shall advance to the next increment on her anniversary date of employment.

i) Benefit Entitlement

All casual employees who have completed 172.8 hours with the Employer may elect to enroll in the following benefit plans – medical services plan, dental plan, and extended health plan if

the employee pays the full monthly premiums in advance to the Employer.

An employee making such an election under this provision must enroll in each and every one of the benefit plans and shall not be entitled to except any of them.

Where a casual employee subsequently elects to withdraw from the benefit plans, she must withdraw from all three plans. Casual employees failing to maintain the required payments, shall have the benefit plans terminated. Those employees who voluntarily terminate, or are terminated from the plans by the Employer, will not be entitled to re-enroll.

ii) **Benefit Premium Refund**

Subject to the following conditions, casuals shall, on enrolment in the aforementioned benefit plans, be entitled to an annual lump sum refund paid by the Employer at the appropriate rate for the coverage obtained. Such payment is a reimbursement for each monthly benefit premium paid by the employee to a maximum of twelve (12) months.

(1) In order to be eligible, casuals, once enrolled in the plan, must have worked 939.6 hours with the Employer during the yearly period October 1 to September 30.

(2) The Employer shall pay eligible employees the lump sum refund by November 1 of each year.

After the casual employee has filled the position for a period of 4 months, the casual employee shall be enrolled in the benefit plans outlined in Article 11.04(G)(IV)(1) above at the sole cost of the Employer.

Access to these benefits shall cease when either:

i) The regular incumbent returns to the position; or

H) Seniority

Seniority for casual employees is defined as the total number of hours worked by the employee at the worksite up to a maximum of the annual full-time equivalent (1879.2) hours per year.

Casual employees shall be entitled to accumulate seniority in accordance with Article 13.01(B) Seniority – Definition.

Casual employees, while receiving Workers' Compensation Benefits (wage loss replacement and rehabilitation benefits) will, upon return to work, be credited with seniority. This credit will be based on the number of hours worked as a casual employee during the twelve (12) month period preceding the date of illness or accident, calculated as follows:

- (1) Determine the number of hours worked in the twelve (12) month period.
- (2) Divide by fifty-two point two (52.2) weeks.
- (3) Multiply by the number of weeks on approved Workers' Compensation Benefits (wage loss replacement and rehabilitation benefits).

If the employee has held casual status for less than twelve (12) months preceding the date of illness or accident, then this shorter period will form the basis of the calculation.

I) Overtime Pay

- a) A casual employee shall be entitled to overtime pay in accordance with Article 27.05 in the following circumstances:
 - i) The hours of work in one day exceed either:
 - (1) the normal daily full shift hours as defined in Article 26.01 - Hours of Work; or

APPENDIX A

MEMORANDUM OF UNDERSTANDING

LONG-TERM DISABILITY INSURANCE PLANS

The Union and the Employer agree that the long-term disability insurance plan shall be governed by the terms and conditions set forth below. This amended Plan is effective April 1, 1999.

- Explanatory Note: There are two effective dates for defining “existing claimants” (April 1, 1998 and April 1, 1999). For employees previously covered by the HEABC/BCNU Master Agreement provisions underwritten by the Healthcare Benefit Trust (“HBT”), an “existing claimant” is defined as an employee with a date of disability or injury that occurred prior to April 1, 1998. For all other employees, the definition of an “existing claimant” is defined as an employee with a date of disability or injury that occurred prior to April 1, 1999. For the latter group of employees, wherever the dates “April 1, 1998” and “March 31, 1998” are found in the Memorandum, substitute them with the dates found immediately following them in parentheses: “(April 1, 1999)” and “(March 31, 1999)”, respectively.

Section 1 – Eligibility

- A) Regular full-time and regular part-time employees who are on staff January 1, 1981 or who join the staff following this date shall, upon completion of the four hundred and sixty-nine point eight (469.8) hours probationary period, become members of the Long-Term Disability Plan as a condition of employment.
- B) Seniority and Benefits – Seniority accumulation and benefit entitlement for employees on long-term disability shall be consistent with the following provisions (reference 13.03(G)):

Any employee granted unpaid leave of absence totalling up to twenty (20) work days in any year shall continue to accumulate seniority and all benefits and shall return to her former job and increment step.

If an unpaid leave of absence or an accumulation of unpaid leaves of absence exceeds twenty (20) work days in any year, the employee shall not accumulate benefits from the twenty-first (21st) day of the unpaid leave to the last day of the unpaid leave but shall accumulate benefits and receive credit for previously earned benefits upon expiration of the unpaid leave.

Upon return to work following recovery, an employee who was on claim for less than twenty-four (24) months shall continue in her former job; an employee who was on claim for more than twenty-four (24) months shall return to an equivalent position, exercising her seniority rights if necessary, pursuant to Article 13 and Article 19. Employees on long-term disability who have exhausted all sick leave credits and in addition have been granted twenty (20) work days unpaid leave shall be covered by the Medical, Extended Health Care, and Dental Plans provided they pay the total premiums for such coverage in advance on a monthly basis. Employees may choose to maintain any or all of such plans. Effective April 1, 1999, premiums for Medical, Dental, and Extended Health insurance will be cost shared by the Employer and claimant on a fifty-fifty (50-50) basis, under the same conditions as outlined above.

Superannuation/Pension – Employees on long-term disability shall be considered employees for the purposes of superannuation/pension in accordance with the *Pension (Municipal) Act and the Pension (Public Service) Act*, as applicable.

Group Life Insurance – Employees on long-term disability shall have their group life insurance premiums waived and coverage under the Group Term Life Insurance Plan shall be continued.

Section 2 – Waiting Period and Benefits

A) “Existing Claimants” – Employees Disabled Prior to April 1, 1998 (April 1, 1999) *

(* See Explanatory Note in Preamble to this Memorandum)

In the event an employee, while enrolled in this Plan, becomes totally disabled prior to April 1, 1998 (April 1, 1999) as a result of an accident or a sickness, then, after the employee has been totally disabled for six (6) months the employee shall receive a benefit equal to two-thirds (2/3) of monthly earnings.

B) “New Claimants” – Employees Disabled on or After April 1, 1998 (April 1, 1999) *

(* See Explanatory Note in Preamble to this Memorandum)

- (1) In the event an employee, while enrolled in this Plan, becomes totally disabled on or after April 1, 1998 (April 1, 1999) as a result of an accident or sickness, then, after the employee has been totally disabled for five (5) months the employee shall receive a benefit equal to seventy percent (70%) of the first \$4000 of the pre-disability monthly earnings and fifty percent (50%) on the pre-disability monthly earnings above \$4000 or 66-2/3% of pre-disability monthly earnings, whichever is more. The \$4000 level is to be increased annually by the increase in the weighted average wage rate for employees under the collective agreement for the purpose of determining the benefit amount for eligible employees as at their date of disability.

It is understood that this adjustment will only be applied once for each eligible employee, i.e., at the date of the disability, to determine the benefit amount to be paid prospectively for the duration of entitlement to benefits under the LTD plan.

- (2) In the event that the benefit falls below the amount set out in Section 2(B)(1) above for the job that the claimant was in at the time of commencement of receipt of benefits, LTD benefits to be adjusted prospectively to seventy percent (70%) of the first \$4000 of the current monthly earnings and fifty percent (50%) on the current monthly earnings above \$4000 or 66-2/3% of current monthly earnings, whichever is more based on the wage rate in effect following review by HBT/underwriter every four years. (Note: the \$4000 figure will be adjusted as set out in Section 2(B)(1) above).

C) All Claimants

For the purposes of the above, earnings shall mean basic monthly earnings (including isolation allowances where applicable) as at the date of disability. Basic monthly earnings for regular part-time employees shall be calculated on the basis of the employee’s average monthly hours of work for the twelve-month period or such shorter period that the employee has been employed, prior to the date of disability, multiplied by her hourly pay rate as at the date of disability.

The long-term disability benefit payment shall be made so long as an employee remains totally disabled and shall cease on the date the employee reaches age sixty-five (65), recovers, dies, or is eligible for early retirement, whichever occurs first.

D) Employees who still have unused sick leave credits after the waiting period when the long-term disability benefit becomes payable shall have the option of:

- (1) exhausting all sick leave credits before receiving the long-term disability benefit;
- (2) using sick leave credits to top off the long-term disability benefit; or
- (3) banking the unused sick leave credits for future use.

- E) Employment status during the intervening period between expiration of sick leave credits and receipt of long-term disability benefits:
Employees who will be eligible for benefits under the Long-Term Disability Plan shall not have their employment terminated; following expiration of their sick leave credits they shall be placed on unpaid leave of absence until receipt of long-term disability benefits.
- F) Employees are not to be terminated for non-culpable absenteeism, while in receipt of long-term disability benefits.

Section 3 – Total Disability Defined

- A) **“Existing Claimants”** – Employees Disabled Prior to April 1, 1998 (April 1, 1999) *

(* See Explanatory Note in Preamble to this Memorandum)

Total disability, as used in this Plan, means the complete inability because of an accident or sickness, of a covered employee to perform the duties of her own occupation for the first two (2) years of disability. Thereafter, an employee who is able by reason of education, training, or experience to perform the duties of any gainful occupation for which the rate of pay equals or exceeds eighty-five percent (85%) of the rate of pay of her regular occupation at date of disability shall no longer be considered totally disabled and therefore, shall not continue to be eligible for benefits under this Long-Term Disability Plan.

- B) **“New Claimants” – Employees Disabled on or After April 1, 1998 (April 1, 1999) ***

(* See Explanatory Note in Preamble to this Memorandum)

Total Disability, as used in this Plan, means the complete inability because of an accident or sickness, of a covered employee to perform the duties of his/her own occupation for the first two (2) years of disability. Thereafter, an employee who is able by reason of education, training, or experience to perform the duties of any gainful occupation for which the rate of pay equals or exceeds seventy percent (70%) of the current rate of pay for his/her regular occupation at the date of disability shall no longer be considered totally disabled under the Plan. However, the employee may be eligible for a Residual Monthly Disability Benefit.

(1) **Residual Monthly Disability Benefit**

The Residual Monthly Disability Benefit is based on 85% of her rate of pay at the date of the disability less the rate of pay (the minimum being equal to seventy percent (70%) of the current rate of pay for his/her regular occupation) applicable to any gainful occupation that the employee is able to perform. The Residual Monthly Disability Benefit will continue until the rate of pay (the minimum being equal to seventy percent (70%) of the current rate of pay for her regular occupation) applicable to any gainful occupation that the employee is able to perform equals or exceeds 85% of the rate of pay for her regular occupation at the date of the disability. The benefit is calculated using the employee’s monthly LTD net of offsets benefit and the percentage difference between the 85% of the employee’s rate of pay at the date of disability and the rate of pay (the minimum being equal to seventy percent (70%) of the current rate of pay for her regular occupation) applicable to any gainful occupation that she is able to perform.

Example:

- (a) Monthly LTD net of offsets benefit = \$ 1000.00 per month
- (b) 85% rate of pay at date of disability = \$13.60 per hour
- (c) 70% of current rate of pay = \$12.12 per hour
- (d) percentage difference [(b/c) – 1] = 12.2%
- (e) Residual Monthly Disability Benefit (a x d) = \$122.00

C) All Claimants

- (1) Total disabilities resulting from mental or nervous disorders are covered by the Plan in the same manner as total disabilities resulting from accidents or other sicknesses, except that an employee who is totally disabled as a result of a mental or nervous disorder and who has received twenty-four (24) months of Long-Term Disability Plan benefit payments must be confined to a hospital or mental institution or, where they are at home, under the direct care and supervision of a medical doctor, in order to continue to be eligible for benefit payments.
- (2) During a period of total disability an employee must be under the regular and personal care of a legally qualified doctor of medicine.

(3) Commitment to Rehabilitation

In the event that an employee is medically able to participate in a rehabilitation activity or program that:

- (a) can be expected to facilitate her return to her own job or other gainful occupation; and
- (b) is recommended by HBT/underwriter and approved as a Rehabilitation Plan, then, the entitlement to benefits under the LTD Plan will continue for the duration of the Approved Rehabilitation Plan as long as she continues to participate and cooperate in the Rehabilitation Plan. If the Plan involves a change in own occupation, the LTD benefit period will continue at least until the end of the first two (2) years of disability. In addition, the employee may be eligible for the Rehabilitation Benefit Incentive Provision.

The Rehabilitation Plan will be jointly determined by the employee (and, if the employee chooses, her Union) and HBT/underwriter. In considering whether or not a rehabilitation plan is appropriate, such factors as the expected duration of disability, and the level of activity required to facilitate the earliest return to a gainful occupation will be considered along with all other relevant criteria. A rehabilitation plan may include training. Once the Rehabilitation Plan has been determined, the employee and the HBT/underwriter will jointly sign the Terms of the Rehabilitation Plan which will, thereby, become the Approved Rehabilitation Plan and the employee's entitlement to benefits under the LTD plan shall continue until the successful completion of the Approved Rehabilitation Plan, provided the eligible employee is willing to participate and cooperate in the Approved Rehabilitation Plan. In addition, the employee may be eligible for any, or all, of the Rehabilitation Benefit Incentive Provisions.

(4) Rehabilitation Review Committee

- (a) In the event that the eligible employee does not agree:
 - (i) with the recommended rehabilitation plan, or,
 - (ii) that she is medically able to participate and cooperate in the Rehabilitation Plan as defined in the Terms of the Rehabilitation Plan, then, to ensure benefit entitlement under the LTD Plan, the employee must either:
 - (iii) be able to demonstrate reasonable grounds for being unable to participate and cooperate in a rehabilitation plan; or,
 - (iv) appeal the dispute to the Rehabilitation Review Committee for a resolution.
- (b) During the appeal process, the employee's benefit entitlement under the LTD Plan shall not be suspended.

The Rehabilitation Review Committee shall be composed of three qualified individuals who, by education, training, and experience are

recognized specialists in the rehabilitation of disabled employees. The Committee shall be composed of three (3) individuals chosen on a rotating basis from a list of rehabilitation specialists mutually acceptable to the parties. The purpose of the Rehabilitation Review Committee shall be to resolve the appeal of an eligible employee who:

- (i) does not agree with the recommended Rehabilitation Plan; or,
- (ii) does not agree that she could medically participate in the Rehabilitation Plan.

During the appeal process, the eligible employee's entitlement to benefits under the LTD Plan shall continue until the Committee has made its decision. The decision of the Committee shall determine whether or not the eligible employee is required to participate and cooperate in the Rehabilitation Plan approved by the Committee. In the event that the eligible employee does not accept the Committee's decision her entitlement to benefits under the LTD Plan shall be suspended until such time as the eligible employee is willing to participate and cooperate in the Approved Rehabilitation Plan.

(5) Rehabilitation Benefit Incentive Provisions

- (a) An employee who has been unable to work due to illness or injury and who subsequently is determined to be medically able to:
 - (i) return to work on a gradual or part-time basis;
 - (ii) engage in a physical rehabilitation activity; and/or
 - (iii) engage in a vocational retraining program.shall be eligible for any, or all, of the Rehabilitation Benefit Incentive Provision.
- (b) The intent of the Provision is to assist the employee with a return to a gainful occupation. In many situations, an employee who returns to work by participating and cooperating in an Approved Rehabilitation Plan will be able to increase her monthly earnings above the LTD benefit amount. The objective of the Rehabilitation Benefit Incentive Provision is to promote the successful completion of the Rehabilitation as follows:
 - (i) The employee, who upon return to gainful rehabilitative employment under an Approved Rehabilitation Plan, will be entitled to receive all monthly rehabilitation earnings plus a monthly LTD benefit up to the amount set out in Section 2(A) or (B) (as the case may be) of the Addendum, provided that the total of such income does not exceed one hundred percent (100%) of the current rate of pay for her/his regular occupation at the date of the disability;
 - (ii) Upon successful completion of the Approved Rehabilitation Plan, the employee becomes an automatic candidate for all job postings with the Employer, and shall have the ability to bump under the collective agreement for positions that the employee is qualified and physically capable of performing;
 - (iii) Upon successful completion of the Approved Rehabilitation Plan, the LTD benefit period may be extended for a maximum of six (6) months for the purpose of job search; and
 - (iv) The eligible employee shall be entitled to participate in the Job Exploration and Development program.

“Rehabilitative employment” shall mean any occupation or employment for wage or profit or any course or training that entitles the disabled employee to an allowance, provided such

rehabilitative employment has the approval of the employee's doctor and the underwriter of the Plan.

If earnings are received by an employee during a period of total disability and if such earnings are derived from employment which has not been approved as rehabilitative employment, then the regular monthly benefit from the Plan shall be reduced by one hundred percent (100%) of such earnings.

Section 4 – Exclusions from Coverage

The Long-Term Disability Plan does not cover total disabilities resulting from:

- A) war, insurrection, rebellion, or service in the armed forces of any country;
- B) voluntary participation in a riot or civil commotion, except while an employee is in the course of performing the duties of her regular occupation;
- C) intentionally self-inflicted injuries or illness.

Section 5 – Integration with other Disability Income

In the event a totally disabled employee is entitled to any other income as a result of the same accident, sickness, mental or nervous disorder that caused her to be eligible to receive benefits from this Plan, the benefits from this Plan shall be reduced by one hundred percent (100%) of such other disability income. If other disability income is available to the employee, they must apply for this income prior to receiving LTD.

Other disability income shall include but is not limited to:

- A) any amount payable under any Workers' Compensation Act or law or any other legislation of similar purpose; and
- B) any amount the disabled employee receives from any group insurance, wage continuation, or pension plan of the Employer that provides disability income; and
- C) any amount of disability income provided by an compulsory act or law; and
- D) any periodic primary benefit payment from the Canada Pension Plans or other similar social security plan of any country to which the disabled employee is entitled or to which she would be entitled had they applied for such a benefit; and
- E) any amount of disability income provided by any group or association disability plan to which the disabled employee might belong to or subscribe.

Private or individual disability plan benefits of the disabled employee shall not reduce the benefit from this Plan.

The amount by which the disability benefit from this Plan is reduced by other disability income shall be the amount to which the disabled employee is entitled upon becoming first eligible for such other disability income. Future increases in such other disability income resulting from increases in the Canadian Consumer Price Index or similar indexing arrangements shall not further reduce the benefit from this Plan until the LTD benefit payable is recalculated to reflect current wage rates [Reference 2(B)(2)].

Section 6 – Successive Disabilities

If, following a period of total disability with respect to which benefits are paid from this Plan, an employee returns to work for a continuous period of six (6) months or more, any subsequent total disability suffered by that employee, whether related to the preceding disability or not, shall be considered a new disability and the disabled employee shall be entitled to benefit payments after the completion of another waiting period.

In the event the period during which such an employee has returned to work is less than six (6) months and the employee again suffers a total disability that is related to the preceding disability, the subsequent disability shall be deemed a continuation of the preceding disability, and the disabled employee shall be entitled to benefit payments without the necessity of completing another waiting period.

Should such an employee suffer a subsequent disability that is unrelated to the previous disability and provided the period during which the employee returned to work is longer than one (1) month, the subsequent disability shall be considered a new disability and the employee shall be entitled to benefit payments after the completion of another waiting period. If the period during which the employee returned to work is one (1) month or less, the subsequent disability shall be deemed a continuation of the preceding disability and the disabled employee shall be entitled to benefit payments without the necessity of completing another waiting period.

Section 7 – Leave of Absence

Employees on leave of absence without pay may opt to retain coverage under the Plan and shall pay the full premium. Coverage shall be permitted for a period of twelve (12) months of absence without pay, except if such leave is for educational purposes, when the maximum period shall be extended to two (2) years. If an employee on leave of absence without pay becomes disabled, her allowance under this Plan shall be based upon monthly earnings immediately prior to the leave of absence.

Section 8 – Benefits Upon Plan Termination

In the event this Long-Term Disability Plan is terminated, the benefit payments shall continue to be paid in accordance with the provisions of this Plan to disabled employees who became disabled while covered by this Plan prior to its termination.

Section 9 – Premiums

The cost of this Plan shall be borne by the Employer. Payment of premiums shall cease on termination of employment or five (5) months prior to an employee's sixty-fifth (65th) birthday, whichever occurs first.

Section 10 – Waiver of Premiums

The premiums of this Plan shall be waived with respect to disabled employees during the time such an employee is in receipt of disability benefit payments from this Plan.

Section 11 – Claims

Long-term disability claims shall be adjudicated and paid by a claims-paying agent to be appointed by the Trustee. The claims-paying agent shall provide toll free telephone access to claimants. In the event a covered employee or the Healthcare Benefit Trust/ underwriter disputes the decision of the claims-paying agent regarding a claim for benefits under this Plan, the employee or the Healthcare Benefit Trust/underwriter may request that the claim be re-examined by the claims-paying agent. If the employee disputes the decision, the employee may request to have the claim reviewed by a claims review committee comprised of three independent and qualified medical doctors agreed to by the Claims Adjudication Committee.

Written notice of a claim under this Plan shall be sent to the claims-paying agent no longer than forty-five

(45) days after the earliest foreseeable commencement date of benefit payments from this Plan or as soon thereafter as is reasonably possible. Failure to furnish the required notice of claim within the time stated shall not invalidate nor reduce the claim if it was not reasonably possible to file the required notice within such time, provided the notice is furnished no later than six (6) months from the time notice of claim is otherwise required.

Section 12 – Administration

The Employer shall administer and be the sole trustee of the Plan. The Union shall have access to any reports provided by the claims-paying agent regarding experience information.

All questions arising as to the interpretation of this Plan shall be subject to the grievance and arbitration procedures in Articles 9 and 10 of the Collective Agreement.

Section 13 – Provincial Collective Agreement Unprejudiced

The terms of the Plan set out above shall not prejudice the application or interpretation of the Collective Agreement.

Section 14 – LTD Plan Early Retirement Incentive Provision

The LTD Plan Early Retirement Incentive Benefit is to ensure that the eligible employee will not realize a pension benefit that is less than the pension benefit that she would have been entitled to receive at the normal retirement date, had she not applied for early retirement, regardless of when the early retirement incentive provision is activated.

- A) An employee under this Agreement who is:
- (1) eligible for, or who is receiving LTD benefits, or in the case of claimants under Section 2(A), eligible for, or who has been in receipt of LTD for four (4) years or more;
 - (2) eligible for early retirement pension benefits; and
 - (3) not eligible for the LTD Plan Rehabilitation Provisions shall apply for early retirement.

The employee's entitlement to benefits under the LTD Plan shall, provided the employee remains eligible as per the definition of Total Disability, continue during the period of time that her application for early retirement is being processed with her pension plan administrator. In the event that the employee is not eligible for an unreduced pension benefit, she may still be eligible for the LTD Plan Early Retirement LTD Incentive Benefit.

- B) Entitlement to and the amount of the LTD Plan Early Retirement Incentive Benefit shall be determined by considering the following factors:
- (1) the amount of the monthly pension benefit that the employee would have been entitled to receive if early retirement was not elected;
 - (2) the amount of the monthly early retirement benefit that the employee will receive;
 - (3) the amount of the gross monthly LTD benefit that the employee is entitled to receive;
 - (4) the amount of the net-of-offsets monthly LTD benefit that the employee is entitled to receive; and,
 - (5) the maximum LTD benefit duration period applicable to the employee.

If the combination of superannuation benefit, Canada Pension Plan retirement benefit and any other disability income referred to in Section 5 of the LTD Addendum results in monthly income of less than the LTD monthly income benefit, then the eligible employee shall be entitled to remain on LTD benefits.

- C) An employee who is eligible for the LTD Plan Early Retirement Incentive Benefit shall be entitled to

receive the benefit in a lump sum, or direct the Healthcare Benefit Trust to any other designate. The employee shall complete an LTD Plan Early Retirement Incentive Benefit Application. Upon approval of the employee's application, the employee and the Healthcare Benefit Trust will jointly sign the Terms of the LTD Plan Early Retirement Incentive Benefit and the employee and the members of the Joint LTD Plan Early Retirement Incentive Committee shall sign the LTD Plan Early Retirement Incentive Agreement on behalf of the Parties to the Collective Agreement.

- D) All eligible employees who are entitled to the LTD Plan Early Retirement Incentive Benefit shall be entitled to the continuation of the Life Benefit coverage in effect until age 65 years of age, or death, whichever is earlier.

APPENDIX H

MEMORANDUM OF UNDERSTANDING

JOB SHARING

Article 1 - Preamble

- 1.1 This Memorandum of Understanding establishes provision for two regular employees to voluntarily “job share” a single full-time position. Part-time positions may be shared where the Employer and Union agree in good faith.
- 1.2 A “Job Sharing Arrangement” refers to a specific written agreement between the Union and the Employer. This agreement must be signed before a job sharing arrangement can be implemented.

Article 2 – Participation

- 2.1 The parties recognize that involvement in job sharing is voluntary for all parties. It is further agreed that there will be no pressure brought to bear on Employers or employees to participate in job sharing, nor will there be access to the grievance procedure should such job sharing not be established at the facility level.
- 2.2 Employees may initiate a request for job sharing in writing (subject to Article 2.3 and 2.4).
- 2.3 Upon approval of a request to job share a notice will be posted within the department to determine interest in job sharing a specific position. Those interested in job sharing will respond to the Employer in writing. Should the number of qualified employees responding exceed the number of positions available, then selection shall be on the basis of seniority. Job shares will be within the same department and classification except where the Employer and Union agree in good faith.
- 2.4 A notice will also be posted to elicit interest in job sharing arrangements to accommodate employees facing displacement. Approval and selection are subject to 2.1, 2.2 and 2.3 above.
- 2.5 For the first three (3) months of a job sharing arrangement, an employee will be deemed to be on a qualifying period pursuant to Article 18.03 of the Collective Agreement.

Article 3 – Maintenance of Full-Time Positions

- 3.1 Shared positions shall, in all respects with the exception that they are held by two individuals, be treated as though they were single positions with regard to scheduling and job descriptions.
- 3.2 Where a vacancy becomes available as a result of an employee participating in a job sharing arrangement, the vacated position shall be treated in accordance with the provisions of the Collective Agreement.
- 3.3 If one job sharing partner decides to discontinue participation in a job share, she must give thirty (30) days’ notice and she will then post into another regular position, revert to casual, or resign. The remaining employee shall be given first opportunity to assume the position on a full-time basis. Should that employee decline the position on a full-time basis and wish to continue to job share the position, then every effort will be made. The period of thirty (30) days, to find a job sharing partner satisfactory to all parties. The period of time to find a replacement will result in the remaining job sharing partner assuming the position full-time. If she does not wish a full-time position and no job sharing partner is found, then she would post into another regular position, revert to casual status, or resign. The former job sharing position would then be treated in accordance with the Collective Agreement.

- 3.4 If the job sharing arrangement is discontinued by the Employer, the most senior employee will be given first option to assume the full-time position. The other (least senior) partner will be displaced pursuant to the provisions of the Collective Agreement.
- 3.5 The Employer must give sixty (60) days' notice if they wish to end a job sharing arrangement.
- 3.6 Either party may cancel this Memorandum on sixty (60) days' notice.

Article 4 – Schedules and Job Descriptions

- 4.1 A work schedule will be set out in advance showing the days and hours or shifts to be worked for each job sharing partner.
- 4.2 Job descriptions for the job sharing partners will be identical.
- 4.3 The Employer agrees not to increase workload levels expected of job sharers for the sole reason the position is shared.
- 4.4 Once established, the position of hours shared may be altered by mutual agreement of the parties.

Article 5 – Benefits

- 5.1 As a general principle and unless otherwise revised in this Memorandum, the employees will neither gain nor lose any benefits presently contained in the Collective Agreement.
- 5.2 Each employee in a job sharing arrangement will be treated as a part-time employee for all benefit and pension purposes.
- 5.3 Each employee in a job sharing arrangement must maintain unbroken eligibility for Employment Insurance and Canada Pension coverage.

Article 6 – Relief

- 6.1 Temporary relief for a job shared position will be determined pursuant to the Collective Agreement. However, job sharers will relieve for each other where there is no other source of relief available.

RE: SKILL MIX

The Parties remain committed to the continued provision of quality care for Residents at all Revera sites listed in this Collective Agreement.

There are many factors involved in assessing the level of skill mix required in the provision of this care, including the acuity and complexity of the level of care.

At sites where there is only one RN per shift, there shall be no reduction of RN positions for the duration of this Collective Agreement, March 31, 2020.

2. RN short-term vacancies will be filled in the following order at all sites:
 - Casual RNs will be offered vacancies at straight time in accordance with the casual call-in procedure in Article 11.
 - Part-time RNs will be offered vacancies at straight time.
 - Overtime will be offered to RNs when it is required to maintain one RN per shift. Management maintains the right to offer overtime in a manner that ensures safe resident care and the safety of staff.
 - LPNs will be offered vacancies at straight time only if provision of safe care will be provided.
3. The Employer will put forth every effort to maintain an adequate RN casual pool and to fill regular vacancies to allow for the above. The Employer shall provide evidence to the Union of these efforts upon request.
