Within a further seven (7) calendar days of receipt of the written grievance, the representative designated by the Employer shall give a written response to the employee and the steward. Should the grievance be denied, written explanations shall be given.

If the grievance is not satisfactorily settled under Step 2, then the steward shall notify the Union within fourteen (14) calendar days of receipt of the written response to the grievance.

- (4) Where a casual employee is called for a casual assignment which would attract overtime, they must so advise the Employer when asked. The Employer shall then have the option of calling another employee.

Where the employee accepts the offer, there shall be no requirement for displacement notice or vacancy posting of that position. This provision shall not apply if it results in a change of employee status.
- B) Where a change in scheduled hours results in an on-going change in an employee's FTE status of +/- 0.08 or less, the Employer will not be required to issue displacement notice to the incumbent. Where displacement is triggered, the part-time employee may waive displacement and select a line on the rotation by seniority. A change under this clause shall be limited to once a year except by mutual agreement.

APPENDIX A

MEMORANDUM OF UNDERSTANDING LONG-TERM DISABILITY INSURANCE PLANS

The Union and the Employer agree that the long-term disability insurance plan shall be governed by the terms and conditions set forth below.

Section 1 – Eligibility

- A) Regular full-time and regular part-time employees who are on staff as of (date of ratification) or who join the staff following this date shall, upon completion of the three-month probationary period, become members of the Long-Term Disability Plan as a condition of employment.
- B) Seniority and Benefits – Seniority accumulation and benefit entitlement for employees on long-term disability shall be consistent with the following provisions (reference 13.03(G)):
Any employee granted unpaid leave of absence totalling up to twenty (20) work days in any year shall continue to accumulate seniority and all benefits and shall return to her former job and increment step.

If an unpaid leave of absence or an accumulation of unpaid leaves of absence exceeds twenty (20) work days in any year, the employee shall not accumulate benefits from the twenty-first (21st) day of the unpaid leave to the last day of the unpaid leave but shall accumulate benefits and receive credit for previously earned benefits upon expiration of the unpaid leave.

C) Graduated Return to Work

Those employees on Graduated Return to Work are considered disabled and under treatment. The employees will receive pay and appropriate premiums for all hours worked. The LTD Plan will pay for hours not worked at two-thirds (2/3) of basic monthly earnings at the date of disability. On the commencement of a GRTW, Medical, Dental, and Extended Health benefits are reinstated. Group life insurance, AD&D and LTD premiums are waived.

Upon return to work following recovery, an employee who was on claim for less than twenty-four (24) months shall continue in her former job; an employee who was on claim for more than twenty-four (24) months shall return to an equivalent position, exercising her seniority rights if necessary, pursuant to Article 13 and Article 19. Employees on long-term disability who have exhausted all sick leave credits and in addition have been granted twenty (20) work days unpaid leave shall be covered by the Medical, Extended Health Care, and Dental Plans provided they pay the total premiums for such coverage in advance on a monthly basis. Employees may choose to maintain any or all of such plans. Effective April 1, 1999, premiums for Medical, Dental, and Extended Health insurance will be cost shared by the Employer and claimant on a fifty-fifty (50-50) basis, under the same conditions as outlined above.

Superannuation/Pension – Employees on long-term disability shall be considered employees for the purposes of superannuation/pension in accordance with the *Pension (Municipal) Act* and the *Pension (Public Service) Act*, as applicable.

Group Life Insurance – Employees on long-term disability shall have their group life insurance premiums waived and coverage under the Group Term Life Insurance Plan shall be continued.

Section 2 – Waiting Period and Benefits

- A) “Existing Claimants” - Employees disabled before date of ratification.
In the event an employee, while enrolled in this Plan, became disabled prior to ratification, the employee shall continue under the LTD plan in existence before the date of ratification or if mutually agreed, shall be entitled to the provisions of the plan post-ratification upon mutual agreement between the parties.

B) “New Claimants” – Employees Disabled on or After (date of ratification)

- (1) In the event an employee, while enrolled in this Plan, becomes totally disabled on or after (date of ratification) as a result of an accident or sickness, then, after the employee has been totally disabled for four (4) months the employee shall receive a benefit equal to seventy percent (70%) of the first \$4000 of the pre-disability monthly earnings and fifty percent (50%) on the pre-disability monthly earnings above \$4000 or sixty-six and two thirds percent (66-2/3%) of pre-disability monthly earnings, whichever is more. The \$4000 level is to be increased annually by the increase in the weighted average wage rate for employees under the collective agreement for the purpose of determining the benefit amount for eligible employees as at their date of disability.

It is understood that this adjustment will only be applied once for each eligible employee, i.e., at the date of the disability, to determine the benefit amount to be paid prospectively for the duration of entitlement to benefits under the LTD plan.

- (2) In the event that the benefit falls below the amount set out in Section 2(B)(1) above for the job that the claimant was in at the time of commencement of receipt of benefits, LTD benefits to be adjusted prospectively to seventy percent (70%) of the first \$4000 of the current monthly earnings and fifty percent (50%) on the current monthly earnings above \$4000 or sixty-six and two-thirds percent (66-2/3%) of current monthly earnings, whichever is more based on the wage rate in effect following review by underwriter every four years. (Note: the \$4000 figure will be adjusted as set out in Section 2(B)(1) above).

C) All Claimants

For the purposes of the above, earnings shall mean basic monthly earnings (including isolation allowances where applicable) as at the date of disability. Basic monthly earnings for regular part-time employees shall be calculated on the basis of the employee’s average monthly hours of work for the twelve-month period or such shorter period that the employee has been employed, prior to the date of disability, multiplied by her hourly pay rate as at the date of disability.

The long-term disability benefit payment shall be made so long as an employee remains totally disabled and shall cease on the date the employee reaches age sixty-five (65), recovers, dies, or is eligible for early retirement, whichever occurs first.

- D) Employees who still have unused sick leave credits after the waiting period when the long-term disability benefit becomes payable shall have the option of:

- (1) exhausting all sick leave credits before receiving the long-term disability benefit;
- (2) using sick leave credits to top off the long-term disability benefit; or
- (3) banking the unused sick leave credits for future use.

- E) Employment status during the intervening period between expiration of sick leave credits and receipt of long-term disability benefits:

Employees who will be eligible for benefits under the Long-Term Disability Plan shall not have their employment terminated; following expiration of their sick leave credits they shall be placed on

unpaid leave of absence until receipt of long-term disability benefits.

- F) Employees are not to be terminated for non-culpable absenteeism, while in receipt of long-term disability benefits.

Section 3 – Total Disability Defined

- A) Total Disability, as used in this Plan, means the complete inability because of an accident or sickness, of a covered employee to perform the duties of his/her own occupation for the first two (2) years of disability. Thereafter, an employee who is able by reason of education, training, or experience to perform the duties of any gainful occupation for which the rate of pay equals or exceeds seventy percent (70%) of the current rate of pay for his/her regular occupation at the date of disability shall no longer be considered totally disabled under the Plan. However, the employee may be eligible for a Residual Monthly Disability Benefit.

(1) Residual Monthly Disability Benefit

The Residual Monthly Disability Benefit is based on eighty-five percent (85%) of her rate of pay at the date of the disability less the rate of pay (the minimum being equal to seventy percent (70%) of the current rate of pay for his/her regular occupation) applicable to any gainful occupation that the employee is able to perform. The Residual Monthly Disability Benefit will continue until the rate of pay (the minimum being equal to seventy percent (70%) of the current rate of pay for her regular occupation) applicable to any gainful occupation that the employee is able to perform equals or exceeds eighty-five percent (85%) of the rate of pay for her regular occupation at the date of the disability. The benefit is calculated using the employee's monthly LTD net of offsets benefit and the percentage difference between the eighty-five percent (85%) of the employee's rate of pay at the date of disability and the rate of pay (the minimum being equal to seventy percent (70%) of the current rate of pay for her regular occupation) applicable to any gainful occupation that she is able to perform.

Example:

- (a) Monthly LTD net of offsets benefit = \$ 1000.00 per month
- (b) 85% rate of pay at date of disability = \$13.60 per hour
- (c) 70% of current rate of pay = \$12.12 per hour
- (d) percentage difference $[(b/c) - 1] = 12.2\%$
- (e) Residual Monthly Disability Benefit $(a \times d) = \$122.00$

B) All Claimants

- (1) Total disabilities resulting from mental or nervous disorders are covered by the Plan in the same manner as total disabilities resulting from accidents or other sicknesses, except that an employee who is totally disabled as a result of a mental or nervous disorder and who has received twenty-four (24) months of Long-Term Disability Plan benefit payments must be confined to a hospital or mental institution or, where they are at home, under the direct care and supervision of a medical doctor, in order to continue to be eligible for benefit payments.
- (2) During a period of total disability an employee must be under the regular and personal care of a legally qualified doctor of medicine.
- (3) **Commitment to Rehabilitation**
In the event that an employee is medically able to participate in a rehabilitation activity or program that:
 - can be expected to facilitate her return to her own job or other gainful occupation;

- and
- is recommended the underwriter and approved as a Rehabilitation Plan, then the entitlement to benefits under the LTD Plan will continue for the duration of the Approved Rehabilitation Plan as long as she continues to participate and cooperate in the Rehabilitation Plan. If the Plan involves a change in own occupation, the LTD benefit period will continue at least until the end of the first two (2) years of disability. In addition, the employee may be eligible for the Rehabilitation Benefit Incentive Provision.

The Rehabilitation Plan will be jointly determined by the employee (and, if the employee chooses, her Union) and underwriter. In considering whether or not a rehabilitation plan is appropriate, such factors as the expected duration of disability, and the level of activity required to facilitate the earliest return to a gainful occupation will be considered along with all other relevant criteria. A rehabilitation plan may include training. Once the Rehabilitation Plan has been determined, the employee and the underwriter will jointly sign the Terms of the Rehabilitation Plan which will, thereby, become the Approved Rehabilitation Plan and the employee's entitlement to benefits under the LTD plan shall continue until the successful completion of the Approved Rehabilitation Plan, provided the eligible employee is willing to participate and cooperate in the Approved Rehabilitation Plan. In addition, the employee may be eligible for any, or all, of the Rehabilitation Benefit Incentive Provisions.

(4) Rehabilitation Review Committee

- (a) In the event that the eligible employee does not agree:
 - (i) with the recommended rehabilitation plan, or,
 - (ii) that she is medically able to participate and cooperate in the Rehabilitation Plan as defined in the Terms of the Rehabilitation Plan, then, to ensure benefit entitlement under the LTD Plan, the employee must either:
 - (iii) be able to demonstrate reasonable grounds for being unable to participate and cooperate in a rehabilitation plan; or,
 - (iv) appeal the dispute to the Rehabilitation Review Committee for a resolution.
- (b) During the appeal process, the employee's benefit entitlement under the LTD Plan shall not be suspended.

The Rehabilitation Review Committee shall be composed of three qualified individuals who, by education, training, and experience are recognized specialists in the rehabilitation of disabled employees. The Committee shall be composed of three (3) individuals chosen on a rotating basis from a list of rehabilitation specialists mutually acceptable to the parties. The purpose of the Rehabilitation Review Committee shall be to resolve the appeal of an eligible employee who:

- (i) does not agree with the recommended Rehabilitation Plan; or,
- (ii) does not agree that she could medically participate in the Rehabilitation Plan.

During the appeal process, the eligible employee's entitlement to benefits under the LTD Plan shall continue until the Committee has made its decision. The decision of the Committee shall determine whether or not the eligible employee is required to participate and cooperate in the

Rehabilitation Plan approved by the Committee. In the event that the eligible employee does not accept the Committee's decision her entitlement to benefits under the LTD Plan shall be suspended until such time as the eligible employee is willing to participate and cooperate in the Approved Rehabilitation Plan.

(5) Rehabilitation Benefit Incentive Provisions

- (a) An employee who has been unable to work due to illness or injury and who subsequently is determined to be medically able to:
 - (i) return to work on a gradual or part-time basis;
 - (ii) engage in a physical rehabilitation activity; and/or
 - (iii) engage in a vocational retraining program.shall be eligible for any, or all, of the Rehabilitation Benefit Incentive Provision.
- (b) The intent of the Provision is to assist the employee with a return to a gainful occupation. In many situations, an employee who returns to work by participating and cooperating in an Approved Rehabilitation Plan will be able to increase her monthly earnings above the LTD benefit amount. The objective of the Rehabilitation Benefit Incentive Provision is to promote the successful completion of the Rehabilitation as follows:
 - (i) The employee, who upon return to gainful rehabilitative employment under an Approved Rehabilitation Plan, will be entitled to receive all monthly rehabilitation earnings plus a monthly LTD benefit up to the amount set out in Section 2(A) or (B) (as the case may be) of the Addendum, provided that the total of such income does not exceed one hundred percent (100%) of the current rate of pay for her/his regular occupation at the date of the disability;
 - (ii) Upon successful completion of the Approved Rehabilitation Plan, the employee becomes an automatic candidate for all job postings with the Employer, and shall have the ability to bump under the collective agreement for positions that the employee is qualified and physically capable of performing;
 - (iii) Upon successful completion of the Approved Rehabilitation Plan, the LTD benefit period may be extended for a maximum of six (6) months for the purpose of job search; and
 - (iv) The eligible employee shall be entitled to participate in the Job Exploration and Development program.

“Rehabilitative employment” shall mean any occupation or employment for wage or profit or any course or training that entitles the disabled employee to an allowance, provided such rehabilitative employment has the approval of the employee's doctor and the underwriter of the Plan.

If earnings are received by an employee during a period of total disability and if such earnings are derived from employment which has not been approved as rehabilitative employment, then the regular monthly benefit from the Plan shall be reduced by one hundred percent (100%) of such earnings.

Section 4 – Exclusions from Coverage

The Long-Term Disability Plan does not cover total disabilities resulting from:

- A) war, insurrection, rebellion, or service in the armed forces of any country;

- B) voluntary participation in a riot or civil commotion, except while an employee is in the course of performing the duties of her regular occupation;
- C) intentionally self-inflicted injuries or illness.

Section 5 – Integration with other Disability Income

In the event a totally disabled employee is entitled to any other income as a result of the same accident, sickness, mental or nervous disorder that caused her to be eligible to receive benefits from this Plan, the benefits from this Plan shall be reduced by one hundred percent (100%) of such other disability income. If other disability income is available to the employee, they must apply for this income prior to receiving LTD.

Other disability income shall include but is not limited to:

- A) any amount payable under any *Workers' Compensation Act* or law or any other legislation of similar purpose; and
- B) any amount the disabled employee receives from any group insurance, wage continuation, or pension plan of the Employer that provides disability income; and
- C) any amount of disability income provided by an compulsory act or law; and
- D) any periodic primary benefit payment from the Canada Pension Plans or other similar social security plan of any country to which the disabled employee is entitled or to which she would be entitled had they applied for such a benefit; and
- E) any amount of disability income provided by any group or association disability plan to which the disabled employee might belong to or subscribe.

Private or individual disability plan benefits of the disabled employee shall not reduce the benefit from this Plan.

The amount by which the disability benefit from this Plan is reduced by other disability income shall be the amount to which the disabled employee is entitled upon becoming first eligible for such other disability income. Future increases in such other disability income resulting from increases in the Canadian Consumer Price Index or similar indexing arrangements shall not further reduce the benefit from this Plan until the LTD benefit payable is recalculated to reflect current wage rates [Reference 2(B)(2)].

Section 6 – Successive Disabilities

If, following a period of total disability with respect to which benefits are paid from this Plan, an employee returns to work for a continuous period of six (6) months or more, any subsequent total disability suffered by that employee, whether related to the preceding disability or not, shall be considered a new disability and the disabled employee shall be entitled to benefit payments after the completion of another waiting period.

In the event the period during which such an employee has returned to work is less than six (6) months and the employee again suffers a total disability that is related to the preceding disability, the subsequent disability shall be deemed a continuation of the preceding disability, and the disabled employee shall be entitled to benefit payments without the necessity of completing another waiting period.

Should such an employee suffer a subsequent disability that is unrelated to the previous disability and

provided the period during which the employee returned to work is longer than one (1) month, the subsequent disability shall be considered a new disability and the employee shall be entitled to benefit payments after the completion of another waiting period. If the period during which the employee returned to work is one (1) month or less, the subsequent disability shall be deemed a continuation of the preceding disability and the disabled employee shall be entitled to benefit payments without the necessity of completing another waiting period.

Section 7 – Leave of Absence

Employees on leave of absence without pay may opt to retain coverage under the Plan and shall pay the full premium. Coverage shall be permitted for a period of twelve (12) months of absence without pay, except if such leave is for educational purposes, when the maximum period shall be extended to two (2) years. If an employee on leave of absence without pay becomes disabled, her allowance under this Plan shall be based upon monthly earnings immediately prior to the leave of absence.

Section 8 – Benefits Upon Plan Termination

In the event a covered employee or the Healthcare Benefit Trust/ underwriter disputes the decision of the claims-paying agent regarding a claim for benefits under this Plan, the employee or the Healthcare Benefit Trust/underwriter may request that the claim be re-examined by the claims-paying agent. If the employee disputes the decision, the employee may request to have the claim reviewed by a claims review committee comprised of three independent and qualified medical doctors agreed to by the Claims Adjudication Committee.

Written notice of a claim under this Plan shall be sent to the claims-paying agent no longer than forty-five (45) days after the earliest foreseeable commencement date of benefit payments from this Plan or as soon thereafter as is reasonably possible. Failure to furnish the required notice of claim within the time stated shall not invalidate nor reduce the claim if it was not reasonably possible to file the required notice within such time, provided the notice is furnished no later than six (6) months from the time notice of claim is otherwise required.

Section 12 – Administration

The Employer shall administer and be the sole trustee of the Plan. The Union shall have access to any reports provided by the claims-paying agent regarding experience information.

All questions arising as to the interpretation of this Plan shall be subject to the grievance and arbitration procedures in Articles 9 and 10 of the Collective Agreement.

MEMORANDUM OF UNDERSTANDING

EARLY SAFE RETURN TO WORK

The Union and the Employer agree that ill or injured employees may benefit from involvement in Early Safe Return to Work Programs which may involve a number of initiatives such as a gradual increase in hours of work up to full shift hours, modified work, work place modification, a work hardening program, or, if necessary a change in work assignment.

Participation in such a program shall be voluntary for both the employee and the Employer and contingent upon the written consent of the employee's physician. The program shall be considered as part of the treatment/rehabilitation process. All employees engaged in a rehabilitation/treatment process shall be supernumerary.

The employee, an Employer designate responsible for the Early Safe Return to Work Program, the Union steward and the employee's immediate supervisor will meet to agree on a suitable program.

A written program for the employee will include:

1. An overview of the employee's program plan, including its expected outcome and end date. (Programs shall not exceed six (6) months).
2. The number of phases in the program, their duration and the number of hours to be worked per shift in each phase.
3. A detailed outline of Employer and employee responsibilities under the program.
4. A schedule of evaluations to determine progress toward the program outcome. As a result of an evaluation, a program may be modified or discontinued by mutual consent of the parties.

Employees engaged in an Early Safe Return to Work Program shall be provided with a copy of the written program.

The Employer designate, in conjunction with the immediate supervisor, shall be responsible for making all necessary arrangements for the employee's return to the work place. The Union steward shall be allowed time away from her usual assigned duties to meet with Union members at the work site to familiarize them with the terms and conditions of their co-worker's return to work and to ensure co-worker support and encouragement.

The Union and the Employer agree that employees participating in an Early Safe Return to Work Program for 14.4 hours or more per week are entitled to all the benefits of the agreement, on a proportionate basis, except medical, extended health, dental plan coverage, group life and LTD which shall be paid in accordance with Article 46 – Medical, Extended Health & Dental Coverage, LTD and Group Life Insurance. It is further agreed that participation in the program will not delay LTD entitlement.

Employees engaged in an Early Safe Return to Work Program will fall into one of four groups although on occasion an employee may, depending on changed circumstances, move from one group to another. Wage and benefit entitlements, when participating in the program will be consistent with the terms of the agreement and are outlined below:

Group 1: Employees suffering an occupational illness or injury who are in receipt of WorkSafe BC payments.

- Receive full wages and benefits. (Article 42.07 Leave – Workers’ Compensation)

Group 2: Employees suffering a non-occupational illness or injury or who are awaiting acceptance of a WorkSafe BC claim; who have accumulated sick time and/or who choose to utilize accumulated vacation time.

- Receive pay and appropriate premiums for all hours worked at the work place and receive sick pay/vacation pay for all hours not worked. All benefits continue uninterrupted.

Group 3: Employees suffering a non-occupational illness or injury or who are awaiting acceptance of a WorkSafe BC claim, who have no accumulated sick time and/or do not choose to utilize accumulated vacation time.

- Receive pay and appropriate premiums for all hours worked at the work place and receive UIC sick benefits for the balance, subject to their entitlement. Medical, dental, extended health, LTD, group life insurance and superannuation coverage are reinstated on commencement of the program and all other benefits are reinstated when working 14.4 hours or more per week as outlined in Article 11.03(B).

Group 4: Employees in receipt of LTD benefits.

- These employees are considered disabled and under treatment.
- These employees receive pay for all hours worked. The LTD plan will pay for hours not worked at 2/3 of basic month earnings at the date of disability. Benefits will be reinstated in the same manner as for Group 3, excepting LTD. Employees shall have their group life insurance premiums waived.
- The cap in Appendix B, Section 3(C) is waived for the duration of the employee’s participation in an Early Safe Return to Work Program.

APPENDIX C

MEMORANDUM OF UNDERSTANDING

ADDRESSING WORKPLACE VIOLENCE AND RESPECT IN THE HEALTH WORKPLACE

The parties recognize that it is important to provide an environment that is properly secure for all those who receive health services or who work in health care. A safe environment is important for staff and contributes to providing the highest possible standard of care. Staff should expect to work in, and patients should expect to be treated in, an environment where the risk of violence is minimized.

Violence Prevention Program

The Employer will establish a joint violence prevention program or review their existing program where one is in place that will include:

- (i) Creation of a violence prevention sub-committee to develop control measures and provide guidelines
- (ii) Risk assessments coordinated by the local OH&S committee and reported to the regional violence prevention subcommittee;
- (iii) Ongoing employee education and training.

Towards a Respectful Workplace

The Employer is committed to promoting a work environment in which employees, students, medical staff, physicians, residents, fellows, volunteers, contractors, visitors, patients and clients conduct themselves in a civil, respectful and cooperative manner.

The Employer will publish a clear policy for promoting and maintaining a working environment in which all persons are treated with respect and dignity. These policies will be accessible to staff and users of the health care system regarding expectations and consequences of inappropriate behaviour and violence.

APPENDIX D

MEMORANDUM OF AGREEMENT

STANDARDS FOR MEASURING NURSE WORKLOAD AND APPLICATION OF NURSE STAFFING PLANS IN BRITISH COLUMBIA

Context

It is agreed that nursing is a fundamental element of British Columbia's health care system. Patient safety and positive patient outcomes are dependent upon having appropriate staffing plans which provide reasonable workloads for nurses.

It is also recognized that nursing workload is a significant issue that needs to be addressed. The literature suggests that continual excessive workload can lead to an overly stressful work environment and may result in poor decision making by care givers, high staff turnover, recruitment problems, increased use of medical disability programs and absenteeism, and the need to pay overtime in order to fill the subsequent vacancies.

Variables which need to be considered in developing appropriate staffing plans include:

- Patient/resident/client clinical acuity;
- Nature and complexity of care provided;
- Functionality of the capital facility;
- Location of facility or service;
- Workforce Resources (FT/PT/Casual and scheduling options, etc.).

It is understood that it is a vital task of the parties to provide quality patient care and optimize nurses' working conditions in order to ensure a robust public health care system for the people of B.C.

- Other key resources which can assist in the management of workload and may need to be made available include:
 - (a) Equipment
 - (b) Clerical support
 - (c) Allied health providers
 - (d) Patient transport support
 - (e) Information and communication technology

LETTER OF UNDERSTANDING NEW GRADUATES: MENTORSHIP PROGRAM

Employers and employees may, at the local level, agree to implement a Mentorship Program for newly graduated Registered Nurses and Registered Psychiatric Nurses. The purpose of the program is to guide/support new graduates' transition from "practice ready" to "job ready".

The program will include newly graduated RNs and RPNs.

The new graduates will be hired as casual employees and will be given temporary full-time/part-time assignments for up to the fifteen (15) weeks of the Mentorship Program. Article 17.03 shall not apply to such assignments.

Educational sessions, for both mentor and new graduate, will be held at the beginning and end of the agreed upon time period.

Each new graduate will have extra "orientation" of four full shifts with a buddy, except where a new graduate's preceptorship has been on the same unit.

APPENDIX G

MEMORANDUM OF UNDERSTANDING

JOB SHARING

Article 1 - Preamble

- 1.1 This Memorandum of Understanding establishes provision for two regular employees to voluntarily “job share” a single full-time position. Part-time positions may be shared where the Employer and Union agree in good faith.
- 1.2 A “Job Sharing Arrangement” refers to a specific written agreement between the Union and the Employer. This agreement must be signed before a job sharing arrangement can be implemented.

Article 2 – Participation

- 2.1 The parties recognize that involvement in job sharing is voluntary for all parties. It is further agreed that there will be no pressure brought to bear on Employers or employees to participate in job sharing, nor will there be access to the grievance procedure should such job sharing not be established at the facility level.
- 2.2 Employees may initiate a request for job sharing in writing (subject to Article 2.3 and 2.4).
- 2.3 Upon approval of a request to job share a notice will be posted within the department to determine interest in job sharing a specific position. Those interested in job sharing will respond to the Employer in writing. Should the number of qualified employees responding exceed the number of positions available, then selection shall be on the basis of seniority. Job shares will be within the same department and classification except where the Employer and Union agree in good faith.
- 2.4 A notice will also be posted to elicit interest in job sharing arrangements to accommodate employees facing displacement. Approval and selection are subject to 2.1, 2.2 and 2.3 above.
- 2.5 For the first three (3) months of a job sharing arrangement, an employee will be deemed to be on a qualifying period pursuant to Article 18.03 of the Collective Agreement except for employees who are participating in a Job Share in the same job in the same classification and have already completed their qualifying period.

Article 3 – Maintenance of Full-Time Positions

- 3.1 Shared positions shall, in all respects with the exception that they are held by two individuals, be treated as though they were single positions with regard to scheduling and job descriptions.
- 3.2 Where a vacancy becomes available as a result of an employee participating in a job sharing arrangement, the vacated position shall be treated in accordance with the provisions of the Collective Agreement.
- 3.3 If one job sharing partner decides to discontinue participation in a job share, she must give thirty (30) days’ notice and she will then post into another regular position, revert to casual, or resign. The remaining employee shall be given first opportunity to assume the position on a full-time basis. Should that employee decline the position on a full-time basis and wish to continue to job share the position, then every effort will be made. The period of thirty (30) days, to find a job

sharing partner satisfactory to all parties. The period of time to find a replacement will result in the remaining job sharing partner assuming the position full-time. If she does not wish a full-time position and no job sharing partner is found, then she would post into another regular position, revert to casual status, or resign. The former job sharing position would then be treated in accordance with the Collective Agreement.

- 3.4 If the job sharing arrangement is discontinued by the Employer, the most senior employee will be given first option to assume the full-time position. The other (least senior) partner will be displaced pursuant to the provisions of the Collective Agreement.
- 3.5 The Employer must give sixty (60) days' notice if they wish to end a job sharing arrangement.
- 3.6 Either party may cancel this Memorandum on sixty (60) days' notice.

Article 4 – Schedules and Job Descriptions

- 4.1 A work schedule will be set out in advance showing the days and hours or shifts to be worked for each job sharing partner.
- 4.2 Job descriptions for the job sharing partners will be identical.
- 4.3 The Employer agrees not to increase workload levels expected of job sharers for the sole reason the position is shared.
- 4.4 Once established, the position of hours shared may be altered by mutual agreement of the parties.

Article 5 – Benefits

- 5.1 As a general principle and unless otherwise revised in this Memorandum, the employees will neither gain nor lose any benefits presently contained in the Collective Agreement.
- 5.2 Each employee in a job sharing arrangement will be treated as a part-time employee for all benefit and pension purposes.
- 5.3 Each employee in a job sharing arrangement must maintain unbroken eligibility for Employment Insurance and Canada Pension coverage.

Article 6 – Relief

- 6.1 Temporary relief for a job shared position will be determined pursuant to the Collective Agreement. However, job sharers will relieve for each other where there is no other source of relief available.
